KEY ISSUES DISCUSSED

- Photos of original passenger terminal and details of its destruction by fire to be provided
- Future of current temporary terminal and site after completion of the new terminal.
- ECC impact(s)
- Terminal entry: consider in the context of the airport as important regional public infrastructure
- Remove from plans anything that isn't to be determined by Panel (eg grass parking area for planes or helicopters)
- Advise whether there are other works that relate to this DA (eg. apron or runways works).
- Explain distance passengers will need to walk to board planes from new terminal.
- Explain relationship of new terminal to the non-directional beacon (NDB).
- Update the plans

TENTATIVE PANEL MEETING DATE: Not discussed
