DECLARATIONS OF INTEREST	Nil

Public meeting held at The Hills Shire Council on 20 June 2019, opened at 2.05pm and closed at 3.04pm.

MATTER DETERMINED

Panel Ref – 2018SWC022 – LGA – The Hills Shire – DA1252/2018 at Lot 92 DP10157, Lot 89, 90A and 90 DP11104, 21 Terry Road and 39-43 Hynds Road, Box Hill (as described in Schedule 1)

PANEL CONSIDERATION AND DECISION

The Panel considered: the matters listed at item 6, the material listed at item 7 and the material presented at meetings and briefings and the matters observed at site inspections listed at item 8 in Schedule 1.

The Panel determined to approve the development application pursuant to section 4.16 of the *Environmental Planning and Assessment Act 1979*.

The decision was unanimous.

REASONS FOR THE DECISION

1. The proposed development is consistent with the objectives of the R3 Medium Density Residential zone in which it is located and satisfies all applicable development standards.
2. The proposal satisfies all but one of Council's DCP guidelines. The exception is guidelines for cut and fill where some small sections of the wall exceed the height limit. The impacts of the greater height have been mitigated by terracing and landscaping, and the outcome is considered to be satisfactory.
3. The variation of the location of the internal road compared to that shown in the Indicative Layout Plan is considered to be satisfactory.
4. The proposal is a suitable use of the site and will have no material adverse environmental or social impacts.
5. The proposal will add to the stock of housing available in the locality and thus contribute to improved supply and affordability.
6. The Panel notes that no objections have been received and considers that approval of the application is in the public interest.

CONDITIONS

The development application was approved subject to the council assessment report.
