work to be carried out in accordance with BCA, AS & Council conditions.

**copyright:** The concepts & information contained in these drawings are the copyright of Idraft Group Pty Ltd. Use, duplication in part or in full without written permission of Idraft Group Pty Ltd constitutes an infringement of copyright. Do not scale off architectural drawings. These notes must be read in conjunction with colours selection for additional details on appliances, PC items & shower sizes shown on plans. Inside hole dimensions shower screens to be fitted on inside of hob bulkheads may be required to accommodate drainage lines & steel arms position to be determined on site. Use figured dimensions ONLY, do not scale. Finished ground levels shown on plans are subject to site conditions, all calculated dimensions are subject to site measure during construction & no allowance has been made for shrinkage or milling position of electrical meter to be determined on site in accordance to the turret position of garden tap on meter.

**energy Smart Design:** AAA rated water conservation devices include rainwater tanks shower heads, water flow regulators, dual flush toilets & systems & compliant hot water systems with minimum green house score of 5 stars are to be used in this development. All occupants are encouraged to use AAA rated dish washing machines with front loading where possible.
