Attention: Mr R Denyer

Dear Mr Denyer

Extractive industry, Gormans Hill

Thank-you for providing the Office of Environment and Heritage (OEH) with the opportunity to comment on the proposed expansion of Gormans Hill Quarry.

We note that the site has a history of disturbance for agriculture and extractive operations and as such has no native vegetation.

A due diligence assessment has been completed for Aboriginal cultural heritage. No Aboriginal objects were found on the site.

Based on this, OEH has no specific comment to make on this proposal.

If you have any queries, please contact Liz Mazzer, Conservation Planning Officer on 6883 5355 or email liz.mazzer@environment.nsw.gov.au.

Yours sincerely
