Subject: RE: Winten Further specific question from Panel

Afternoon Leanne,

TfNSW has considered the SCT report to inform its current position on this matter.

Regards

Damien

Importance: High

Hi Damien,

Have been asked for a further clarification based on the attached submission received on Friday afternoon.

Can you please confirm whether TfNSW used the February 2021 Report and modelling by SCT Consulting to inform its position about the two DAs notwithstanding the previous court proceedings and reports and evidence provided by Rogers.

This is the only Regional Traffic report before the Panel and would have formed part of the DA original referral from both Councils.

Thanks

Leanne
