DA Number: DA/1295/2023 – Subdivision of land and construction of associated infrastructure.

Jemena Colongra Pipeline (collectively **Jemena**) has reviewed and assessed the proposed subdivision application referenced above. Jemena has considered the potential safety risks and impacts to the pipeline with specific concerns to the proposed subdivision and measured length to and from the Jemena licenced gas pipelines located within proximity of the proposed development.

Jemena does not object to the development, subject to the following conditions:

- To ensure compliance with AS/NZS 2885.6-208, In accordance with the Encroachment Safety Management Study (SMS) conducted on the 28th of September 2023, all "SMS Confirmation" actions identified from the SMS (Section 6.5) need to be completed to the satisfaction of Jemena prior to any proposed works.

To provide some greater context to the decision above, the transmission pipeline operates at pressures greater than 6MPa and is located within easements secured under the provisions of the Pipelines Act 1967 and the Conveyancing Act 1919 (NSW). As owner and manager of the pipeline, Jemena has rights and obligations under its pipeline licence, the Pipelines Act 1967 (NSW) and Australian Standard 2885 that relate to ensuring the ongoing safety and integrity of its pipelines. It takes its rights and obligations under these instruments seriously. If you have any questions or queries, please do not hesitate to contact the undersigned.

Kind Regards
