[EXTERNAL] This email originated from outside of the organisation.

Hi Damian,

Apologies for the late response I have been on leave.

I can advise that SafeWork NSW has no comments to make on the proposal.

Kind regards

Andrew

Hi Andrew

Would you be able to confirm if Safework will be providing any comments on this proposal?

If you have any questions please email or contact myself on [REDACTED]

Thanks

Subject: Referral - Safework - DA2021-00007 - 27D Riverside Drive Mayfield West

Dear Andrew,

Application No:	DA2021/00007
Land:	Lot 12 DP 280089
Property Address:	27D Riverside Drive Mayfield West NSW 2304
Proposed Development:	Electricity generating works

The above Development Application lodged with City of Newcastle by Steel River West Pty Ltd, seeks consent to carry out the following development on the subject property:

Proposed Battery Storage Facility (Electricity generating works)

While it does not appear that the proposal formally triggers the provisions of State Environmental Planning Policy 33 - Hazardous and Offensive Development, the applicant has undertaken an investigation in this respect due to the potential risks associated with the proposal (e.g. fire and explosion).

Comments from Safework are sought to assist in the assessment of this development application.

It would be appreciated if you could provide comments to Council within 21 days from the date of this letter.

Please include recommendations regarding any appropriate conditions of consent or any other relevant comments.

Any comments should be returned via email mail@ncc.nsw.gov.au, referencing the Development Application number.

Should you have any questions in relation to the proposed development or Council's assessment processes, please contact Damian Jaeger on [REDACTED] during normal business hours.

As Council is processing the development applications in an electronic manner please click on the link below for access to Council's E-Services Tracking Portal to view submitted documentation relating to the application.
