Dear Jim

Supply of Water for Meppem's Quarry

I refer to your recent discussions with our Water Superintendent, Kent Harris, regarding obtaining water from the water filling station in Moree.

We advise that the costs for doing this are as follows:

- Hire of Portable Stand Pipe \$261.00 per week
 - * Charge covers first 50kL of water supplied
 - * Over and above 50kL - \$2.05 per kL
- From Overhead Filler (Non-Potable) \$3.00 per kL

All water transported from Moree will be your own responsibility

Please do not hesitate to contact our department should you require any further information.

Yours sincerely
