<sup>1</sup> An 'actual' conflict of interests is where there is a direct conflict between a member's duties and responsibilities and their private interests or other duties.

<sup>2</sup> A 'potential' conflict of interests is where a panel member has a private interest or other duty that could conflict with their duties as a panel member in the future.

<sup>3</sup> A 'reasonably perceived' conflict of interests is where a person could reasonably perceive that a panel member's private interests or other duties are likely to improperly influence the performance of their duties as a panel member, whether or not this is in fact the case.

In relation to this matter, I declare that I have:

- ☒ no known conflict of interest <sup>1</sup> OR  
☒ an actual<sup>1</sup>, potential<sup>2</sup> or reasonably perceived<sup>3</sup> conflict of interest, as detailed below:

Note: I prepared the shire-wide Byron L.E.P 1988 in 1986-1987, the provisions of which still apply to this site. I was Council's Chief Town Planner at that time.

However given the length of time which has elapsed (over 35 years), and absence of any involvement since then, I do not consider this prior involvement to constitute a perceived or potential conflict of interest.
