Hi Madeline

TBLALC has reviewed the proposed application, Development Application DA23/0398, Hardware & Building Supplies, associated works & Signage - NRPP, 44 & 42 Enterprise Avenue & 13-17 Corporation Circuit TWEED HEADS SOUTH against its Aboriginal cultural heritage mapping, cultural knowledge and the previous cultural advice provided to the applicant. TBLALC considers the application is consistent with the previous cultural advice and does not object to the application being determined. TBLALC recommends that any approval include the standard condition of consent advising the applicant of their stop work responsibilities should any Aboriginal cultural object be revealed during the development works.

Kind regards
