## KEY ISSUES DISCUSSED

- Steps to resolve outstanding matters are underway, including issues of concern related to:
  - Heritage
  - Engineering, including traffic and overland flow.
- Noted that access issues raised by Transport for NSW are more detailed than addressed in this Concept master plan, and may reference an earlier DA approval. This is being addressed by the applicant.
- Operations are proposed to be managed by Council, who manages other cemeteries in the Council area.
- The Panel recommended meeting with the Heritage NSW to address their concern and clarify matters including the conceptual nature of the application, as well as Council's ongoing role as operator.

## TENTATIVE DETERMINATION DATE SCHEDULED FOR JUNE 2022
