Relevant Extract from SEE – Clause 5.10

Schedule 5 identifies the façade from 28-42 Bronte Road as an item of local significance (I171). The proposed changes visually and functionally improve the approved development and are considered to have no adverse visual impact on the approved development with associated heritage values.

Established obligations under the approved Schedule of Heritage Conservation Works for the heritage listed facades, reflected in Condition 67, of the existing consent, remain unchanged.
