Dear Sir/Madam

Re: Integrated Development Referral – Modification
Dev Ref: DA/20/2021/C
Description: 80mm submersible pump
Location: 177-197 Anzac Parade, Kensington NSW 2033

I refer to your recent referral regarding an Integrated Development Application (DA/20/2021/C) for a modification to amend the basement design to ensure the ongoing protection of Council's stormwater culvert which is located in the south-east corner of the site.

WaterNSW has reviewed the proposed amendments. The information provided indicates that there are no changes to the water supply work to take groundwater.

The General Terms of Approval issued on 31 May 2021 are still current and we have no objections to the proposed amendments.

Yours Sincerely

Amanda Herringe
