PANEL MEMBERS	Carl Scully (Chair), Alice Spizzo, Sue Francis, Marea Wilson, and Joanne McCafferty
APOLOGIES	Amelia Thorpe
DECLARATIONS OF INTEREST	None

Papers circulated electronically on 4 August 2023.

MATTER DETERMINED

PPSSEC-243 - DA/477/2022 - Randwick - 277-291 Anzac Parade, Kingsford, Partial demolition of existing structure and construction of a Part 3, Part 18 storey mixed use development over 1 level of basement comprising Retail, Commercial, and 286 Co-Living (Student Accommodation) rooms with associated indoor and outdoor communal space and landscaping (variation to building height). (as described in Schedule 1).

REASONS FOR DEFERRAL

The panel agreed to defer the determination of the matter until the following information is provided by applicant:

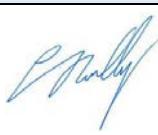

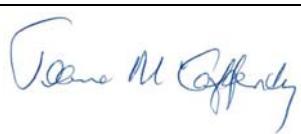

- Updated basement and ground floor plans to delete the stacked parking but provide parking for a minimum of one (1) accessible parking space and three (3) commercial spaces
- Reduce the end of trip facilities to one (1) male and one (1) female shower/toilet facilities
- Reduce the bicycle parking to no more than fifty-seven (57) spaces
- Provide for four (4) motorcycle spaces at ground floor
- Rationalise the office/commercial space in the basement by increasing this space on the ground and other levels to achieve the required 1:1 non-residential floor space ratio

The revised car parking and bicycle provisions are based on the particular use of the premises as student accommodation and the nature of the retail uses, their size, location and future use. Further, the location of the proposal in the immediate proximity to well provided public transport are reasons for why compliance with the development control plan is not necessary in this case.

The Panel expects revised information as referred to above be submitted to Council within 2 weeks from the date of this deferral record. The Panel expects supplementary assessment report from Council responding to the material and the matters raised above. Council is requested to provide a supplementary assessment report within 2 weeks of the receipt of revised information, for determination on the 26th September 2023.

When this information has been received, the panel will determine the matter electronically.

The decision to defer the matter was unanimous.
