Hi Valdis,

Please find below an interim referral response in regards to the Wilberforce Carpark development and the submitted preliminary public art plan:

We acknowledge that the Developer has addressed the criteria outlined in the 'Public Art guidelines for developers' document satisfactorily at this preliminary stage.

Before further assessment and recommendation by the Public Art Panel, as well as prior to commencement of any construction, a complete Public Art Plan is to be submitted and include:

- *the proposed final artworks for Council's Public Art Panel to assess and provide recommendation on*
- *the timeline for the public artwork*
- *a detailed and itemised budget breakdown, corresponding to the Public Art Guidelines assessment criteria, including 6.5: 'Value of public art' (at least 1% of CIV)"*

Kind Regards

Maria
