- Introduction
 - Council is yet to undertake its full application assessment, so this record is not a final list of the issues they will need to consider in order to draft their recommendation.

- The application is yet to be considered by the Sydney Eastern City Planning Panel and therefore future comment will not be limited to the detail contained within.
- Applicant introduction of proposal
 - Introduction, background and proposal overview
 - Subsequent to population growth and expansion in the area, the development proposes to right-size the school and remove demountables.
 - The development includes:
 - Demolition of Block E, small car park, games area and removal of existing demountable learning spaces;
 - Construction of Blocks X, Y and Z ranging from 2-4 storeys in height including hall / gymnasium, canteen, movement studio, staff and admin facilities and general learning spaces;
 - Refurbishment of the existing library in Block A,
 - Expansion of the existing car park to offset loss;
 - Relocation of modular Block I (uniform shop);
 - Construction of new games court; and
 - Associated landscaping, outdoor seating and civil works (meet minimum playspace requirements)
 - Minor student population increase from 1,335 to 1,360
 - Minor staff increase
 - Removal of trees
 - Operational arrangements during development
 - Parking and public transport infrastructure
 - Access – existing bus turning circle and set down facilities
 - Community consultation undertaken
 - Clause 4.6 variation request prepared
- Council summary
 - Proposal to be reviewed by Council's Design Review Panel
 - Contributions
 - Applicant to respond to Design Review Panel comments, once issued
 - Request for Information to be issued by Council
