**KEY ISSUES DISCUSSED**

- Locality plan and surrounding site development outlined
- Site specific planning proposal to rezone to mixed use (residential and employment uses)
- Original development approved by LEC in March 2023
- Delivery of 2 sites separately
- Modifications outlined, including
  - Minor amendments to Site B – façade, shading structure, roof, core and aisle, basement, ground plane
  - Amendments to landscaping and public domain levels, including tree removal, fenced dog park, board walk, increased fence height
  - Site A remains largely unchanged
- Increased GFA (150m<sup>2</sup>)

**Planning Panels Secretariat**

- Increased FSR to 2.06:1 (within allowable FSR of 2.2:1)
- Additional non-residential parking and reduction in bicycle parking
- Improved deep soil area

#### Council

- Pre-DA meeting held
- Council assessment to be undertaken to confirm compliance
- Some initial key issues include:
  - Additional tree removal on Edith and Mary Street, noting trees are healthy with high retention value
  - Additional excavation works for the basement
  - Basement works to consider heavily contaminated site and Remediation Action Plan

**TENTATIVE DETERMINATION DATE SCHEDULED FOR:** Early April 2024
