Dear Sir/Madam,

Reference is made to additional information provided by Philip Drew on 30 November 2020, regarding the abovementioned application which was referred to Transport for NSW (TfNSW) for comment.

TfNSW has reviewed the additional information and advises that the previous TfNSW stormwater matters in the email dated 13 October 2020 have been resolved. The stormwater connection to the existing pit within the private property is to be undertaken to the satisfaction of Council.

If you have any further questions please direct attention to Malgy Coman on 8849 2413 or email development.sydney@rms.nsw.gov.au. I hope this has been of assistance.

Yours sincerely
