Dear Thomas

Re: DA/1015/2020 & PPSSNH-179 - DEVELOPMENT APPLICATION - BARKER COLLEGE

We refer to the above application currently being considered by Hornsby Shire Council (DA/1015/2020) and Sydney North Planning Panel (PPSSNH-179).

We wish to confirm that the proposed Maths and Student Hub Facility ('the Proposed Development') is intended to augment and enhance existing similar Maths facilities that are of a lower standard on the Barker College site. The proposal does not seek an increase in the maximum number of students and staff set by Condition 60 of DA/1194/2016.

Should you have any further questions, please do not hesitate to contact the undersigned.

With every good wish,

Yours sincerely

Phillip Heath AM
Head of Barker College
