

2-8 PYMBLE AVE
Pymble, NSW 2073

LANDSCAPE DOCUMENTATION FOR CONSTRUCTION

SITE PLAN

NOTE

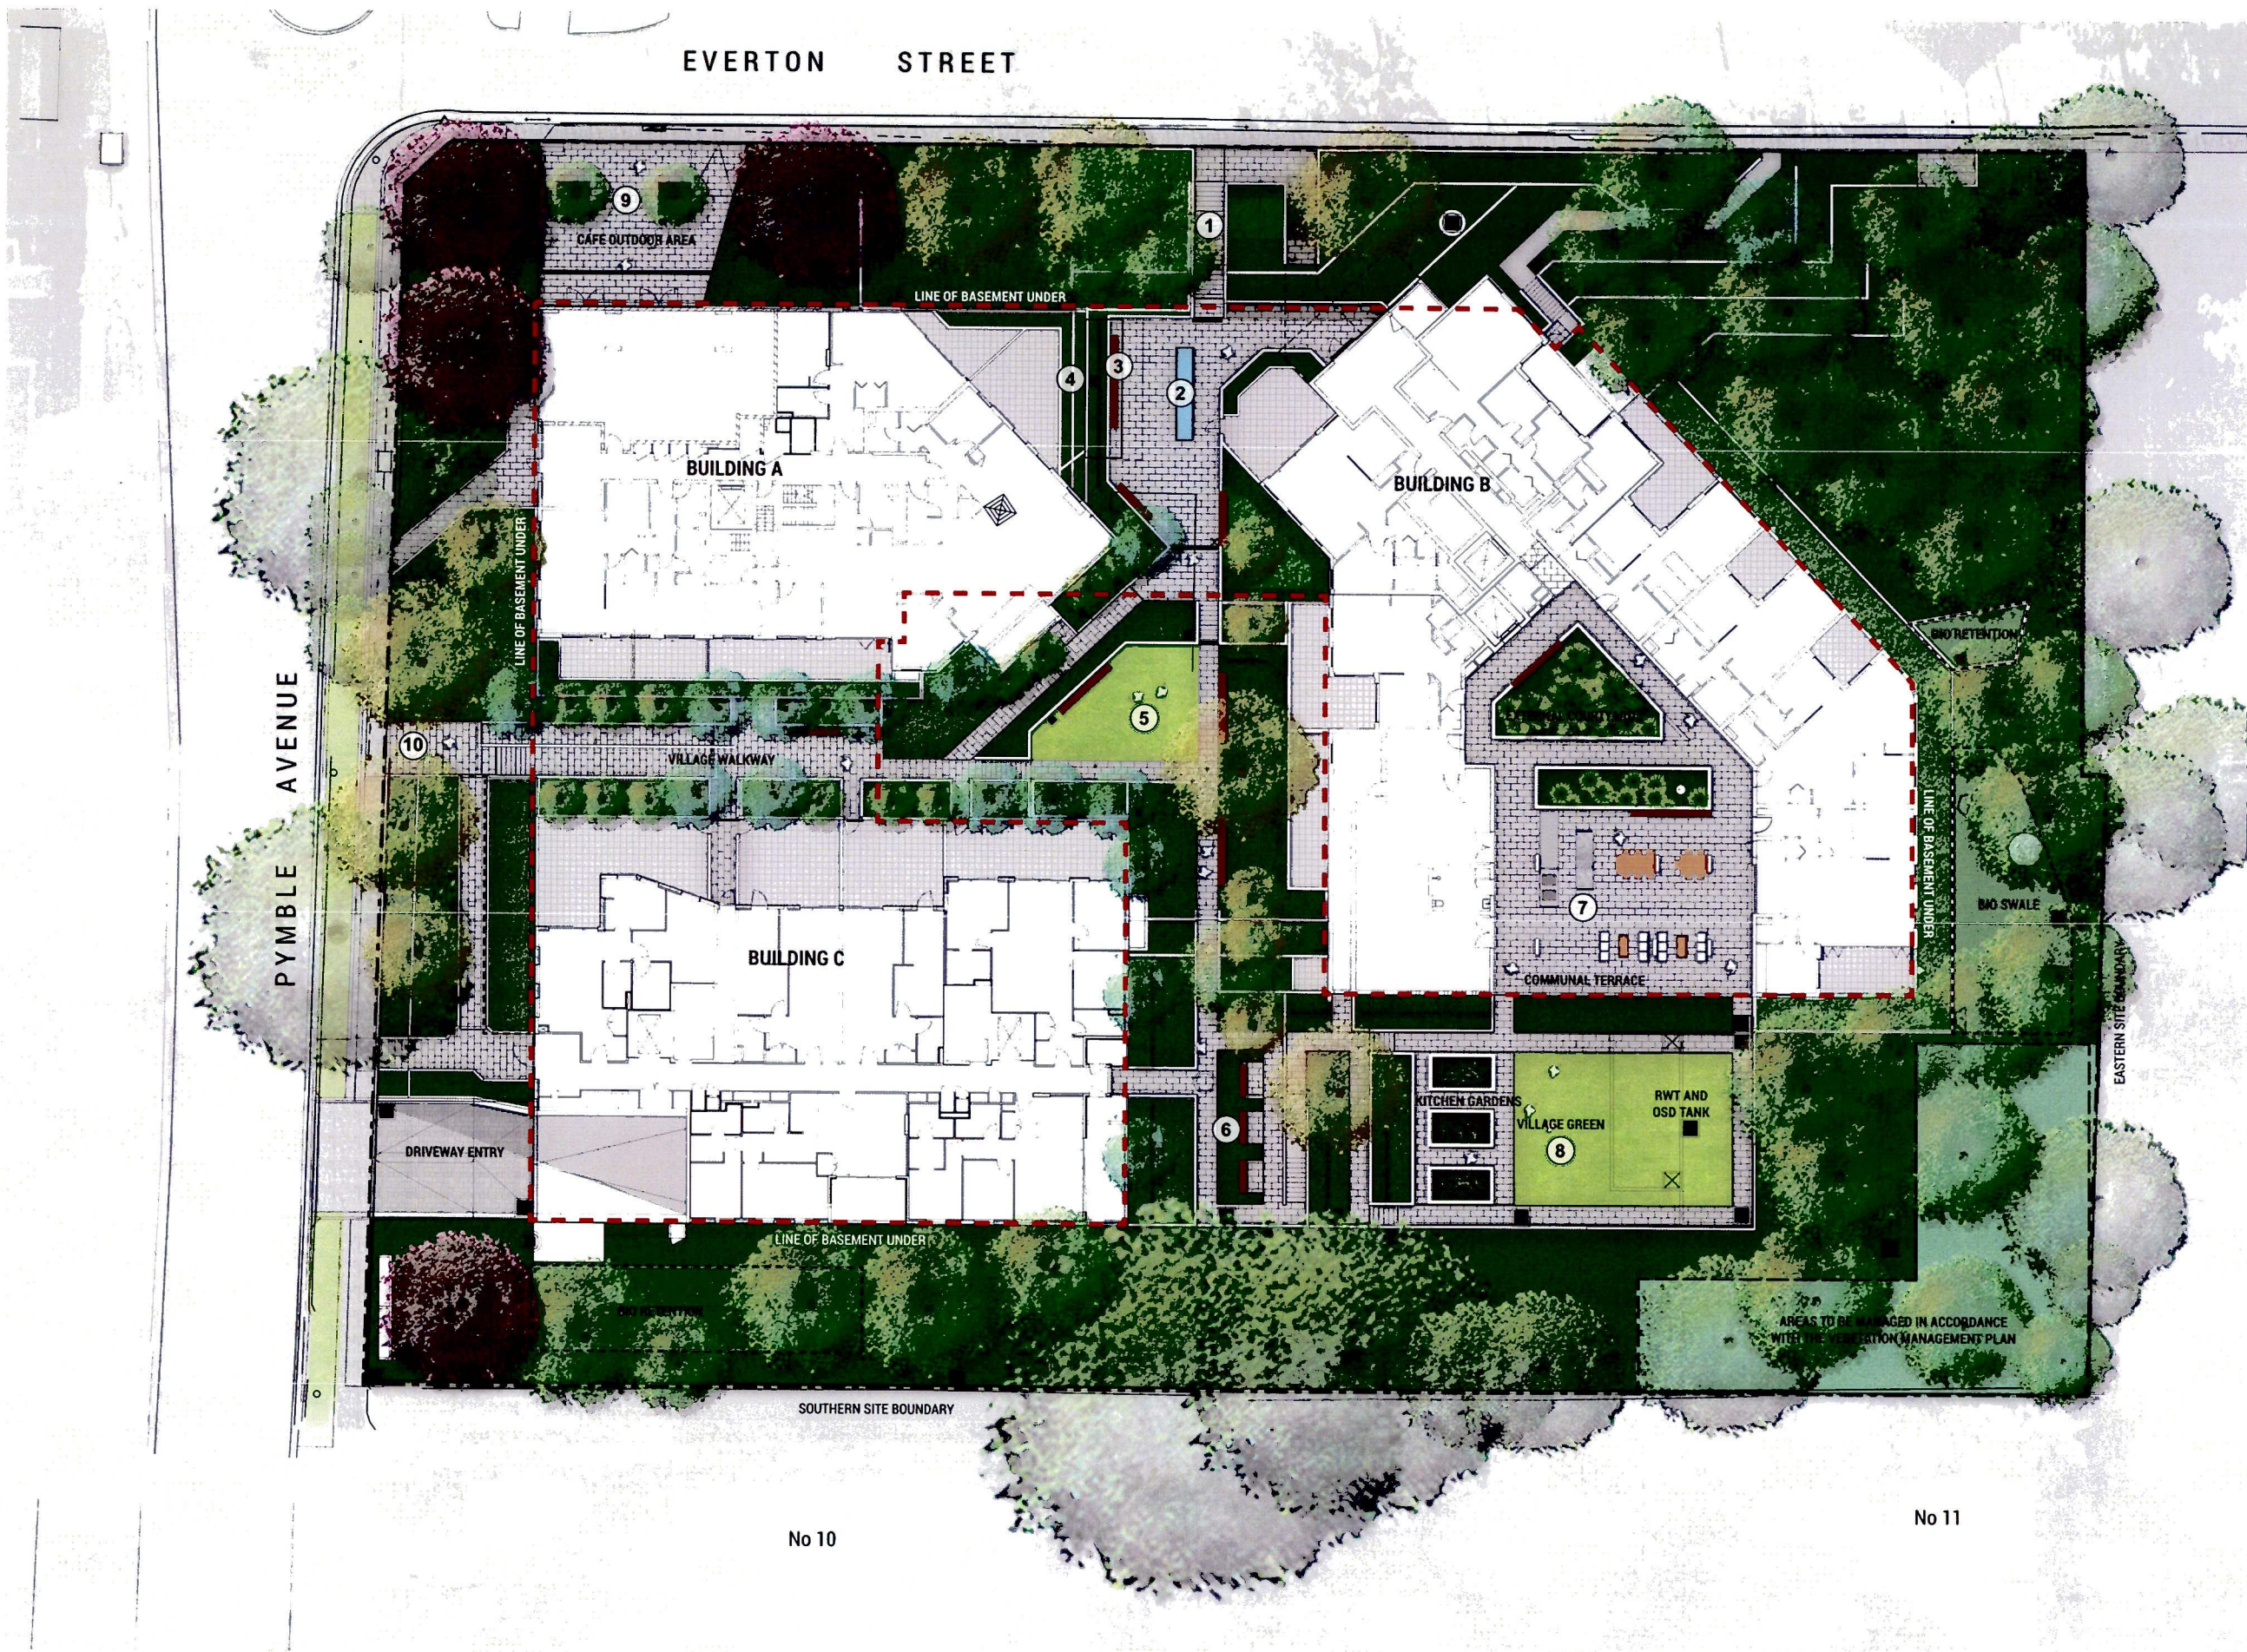

- 1. This drawing is intended for tender purposes only and is not intended to be used for construction.
- 2. Contractor to inspect the existing site condition prior to commencing works and ensure that all services are accurately located prior to the commencement of construction works. Any discrepancies are to be brought to the attention of the Landscape Architect prior to construction.
- 3. Do not scale drawings. Refer to figured dimensions only.
- 4. Dial before you dig. Location of underground services to be proven on site and protected if necessary prior to construction.
- 5. All work is to confirm to relevant Australian standards and other applicable codes.
- 6. Pit locations are indicative only and are to be confirmed on site.

Note

Verify all dimensions on site before commencing work. Report all discrepancies to Landscape Architect prior to construction. Figure dimensions to be taken in preference to scaled drawings. All work is to conform to relevant Australian standards and other codes as applicable. Location of underground services to be proven on site and protected if necessary prior to construction. Dial before you dig. Plant species and quantities shown are indicative only and are subject to change based on future project requirements.
