Queanbeyan Palerang Regional Council
PO Box 90
QUEANBEYAN NSW 2620

Dear Sir/Madam,

**CNR - 30198 – Subdivision of Googong Neighbourhood – 36 Googong Road,
GOOGONG**

Thank you for referring the above DA to DPI Fisheries for assessment and comment.

DPI Fisheries is responsible for ensuring that fish stocks are conserved and that there is no net loss of key fish habitats upon which they depend. To achieve this, DPI Fisheries ensures that developments comply with the requirements of the *Fisheries Management Act 1994* (FM Act) (namely the aquatic habitat protection and threatened species conservation provisions in Parts 7 and 7A of the Act, respectively), and the associated *Policy and Guidelines for Fish Habitat Conservation and Management (2013)* (Policy and Guidelines). In addition, DPI Fisheries is responsible for ensuring the sustainable management of commercial, recreational and Aboriginal cultural fishing, aquaculture and marine protected areas within NSW.

The works proposed in the Development Application will not directly impact any identified Key Fish Habitats, therefore no approvals are required under the *Fisheries Management Act 1994*. The proposal does not trigger the IDA provisions under the EP&A Act and DPI Fisheries is not required to issue General Terms of Approval.

The proponent is requested to contact our administration team to arrange for a refund of the IDA fee of \$320.00 if they have not already done so. Contact details are below
