IMPORTANT NOTE

This plan was prepared for the sole use of the client for the specific purpose of producing a detailed site survey for level purposes. This plan is strictly limited to that purpose and does not apply directly or indirectly and will not be used for any other application, use or matter. The plan is presented without the assumption of a duty of care to any other person other than the Client) ("Third Party") and may not be relied on by Third Party.

Contours are interpolated from accurate spot levels as shown and should be used as a guide only. Do not re-interpolate contours.

Bearings and distances are by title/ or deed only. No boundary litigation has been carried out. Relationship of improvements to boundaries is diagrammatic only. Where offsets are critical they should be confirmed by further survey.

Services shown herein have been determined from visual evidence only. Prior to any demolition, design, excavation or construction on site the relevant authority should be contacted to establish detailed location and depth.

asters Surveying will not be liable (in negligence or otherwise) for any
ct or indirect loss, damage, liability or claim arising out of or incidental

a Third Party publishing, using or relying on the plan;

Masters Surveying relying on information provided to it by the Client or Third Party where the information is incorrect, incomplete, inaccurate, out-of-date or unreasonable;

any inaccuracies or other faults with information or data sourced from a Third Party;

Masters Surveying relying on surface indicators that are incorrect or inaccurate;

the Client or any Third Party not verifying information in this plan where recommended by Masters Surveying

lodgment of this plan with any local authority, against the recommendation of Masters Surveying

Without limiting paragraph 1 or 2 above, this plan may not be copied, distributed, or reproduced by any process unless this note is clearly displayed on the plan.

For reasons of plan presentation, not all of the information can be shown in this plan.

Surveying recommends a plan of redefinition to be prepared and registered at NSW LRS for the subject parcels prior to any development to
