- except in an emergency, the Grantor must give reasonable notice of its intention to suspend use of parts of the Easement Site by notice posted on or near the relevant area; and
- (b) the Grantor must suspend use of parts of the Easement Site only for the period required to remedy an emergency or maintain the Easement Site.

11.5 Making rules

Subject to clause 4.2 and the terms of this easement, the Grantor may make rules about the use of the Easement Site located in their Lot Burdened by Grantees and their Authorised Users.

11.6 Costs Apportionment

The costs apportionments for the purposes of clause 12 of this instrument are set out below:

Cost item	Lot 4205	Lot 4206	Method of dividing cost
Easement for Carparking (WHOLE OF LOT)	50%	50%	For the purposes of clause 12 of this instrument, the owner of Lot 4205 in the Plan and the owner of Lot 4206 in the Plan must pay in equal shares the costs associated with the administration, management, operation, maintenance, repair, replacement, certification, power, water, insurance and any other costs reasonably incurred in respect of the Easement Site and the items the subject of the easement.

In this regard, the proposed modification retains compliance with the terms of this easement. Additional parking spaces are considered with regard to s11.1(a)(i), and access throughout the easement site is otherwise retained with regard to s11.1(a)(ii) and (iii).
