

8 April 2026

Cootamundra-Gundagai Regional Council
PO Box 34
Gundagai NSW 2722

Attention: Donna Clarke, Contract Town Planner

Via Planning Portal

Dear Donna,

**Re: Confirmation of 19-metre Truck and Dog combinations –
Tumblong Reserve Road**

Habitat acts on behalf of MHE Waste, in relation to a Section 4.55(2) Development Application Modification of DA2019/143 for an Inert Landfill Waste Facility located at Tumblong Reserve Road, Tumblong.

The purpose of this letter is to confirm the length of truck and dog combinations servicing the site at the Inert Landfill Waste Facility at Tumblong Reserve Road, Tumblong. Current operations involve the use of 19 metre truck and dog combinations. This represents the largest vehicles entering the premises and no change to vehicle lengths is sought as part of the modification application.

We submit that this position is consistent with the previous consent for the development and that no further conditions would be necessary for the matter.

We are available to discuss further should that assist Council's assessment. Should you have any queries please contact the undersigned or Emily Hewitt directly on 02 6921 8588 or kathleen@habitatplanning.com.au.

Kind regards,

Kathleen Bolger

Associate
