**Author's Certification**

for the submission of an Environmental Impact Statement prepared in accordance with  
the *Environmental Planning and Assessment Act 1979*.

**a) EIS prepared by:**

name: Mitchell A. Bland  
qualifications: BSc(Hons), MEconGeol, LLB(Hons)  
address: 62 Hill Street  
ORANGE NSW 2800

**b) Development application by:**

applicant name: Grantham Park Holdings Pty Limited  
applicant address: 182 Boundary Street  
PADDINGTON NSW 2021

**c) Application Number:**

EAR 1361

**d) Address/land details:**

Properties to be developed  
Land Description:

Lot Number	Deposited Plan
Lot 31	DP 634213
Part Lots 1 and 2	DP 1167699

**e) Project Outline:**

The Proposal would comprise:

- continued extraction of sand and related material for a period of approximately 20 years from an extended Extraction Area;
- processing of that material to produce up to 400 000tpa of washed sand products;
- transportation of products from the Project Site to the Operator's customers;
- placement of reject material, comprising material unsuitable for processing and fines washed from the sand, within completed sections of the existing and proposed Extraction Area; and
- ancillary activities, including use of the existing Quarry Access Road, Processing Area, and Stockpiling Area.

**f) Assessment of Environmental Impact:**

The assessment of environmental impacts of this project includes the matters referred to in the Secretary's Environmental Assessment Requirements provided to the Applicant on 5 August 2019.

**g) Declaration:**

I, Mitchell Anthony Bland, hereby declare that I have overseen the preparation of the contents of this assessment and to the best of my knowledge:

- this EIS has been prepared in accordance with the requirements of Schedule 2 of the *Environmental Planning and Assessment Regulation 2000*;
- the document contains all available information that is relevant to the environmental assessment of the proposed development; and
- that the information contained in the document is neither false nor misleading.
