¹ An 'actual' conflict of interests is where there is a direct conflict between a member's duties and responsibilities and their private interests or other duties.

² A 'potential' conflict of interests is where a panel member has a private interest or other duty that could conflict with their duties as a panel member in the future.

³ A 'reasonably perceived' conflict of interests is where a person could reasonably perceive that a panel member's private interests or other duties are likely to improperly influence the performance of their duties as a panel member, whether or not this is in fact the case.

no known conflict of interest ☐ OR

an actual⁴ ☒, potential⁵ ☐ or reasonably perceived⁶ ☐ conflict of interest, as detailed below:

Allen Grimwood (Zenith Town Planning) is a personal friend and a consultant that I have employed on a number of occasions when I worked in Local Government. He has been a referee for me for various matters and we had a close working relationship when he was previously a member of the Southern JRPP. I therefore believe I am conflicted with respect to this application determination.
