## Regulation

### 111. Administrative space

The proposed development includes an adequate area or areas for the purposes of conducting the administrative functions of the service; and consulting with parents of children; and conducting private conversations.

Note: This space cannot be included in the calculation of unencumbered indoor space – see regulation 107

## Proposed

Indicate administrative space on plans

## Complies (Tick or Cross)

Administrative spaces are all shown in the indicative plan included child care fit out plan included in the Design Report.

### 112. Nappy change facilities

(To be completed only if the proposed development is for a service that will care for children who wear nappies)

The proposed development includes an adequate area for construction of appropriate hygienic facilities for nappy changing including at least one properly constructed nappy changing bench and hand cleansing facilities for adults in the immediate vicinity of the nappy change area.

The proposed nappy change facilities can be designed and located in a way that prevents unsupervised access by children.

Indicate nappy change on plans

Refer to the Design Report which indicates that the nappy change facilities are in the child WCs.

### 113. Outdoor space—natural environment

The proposed development includes outdoor spaces that will allow children to explore and experience the natural environment.

### 114. Outdoor space—shade

The proposed development includes adequate shaded areas to protect children from overexposure to ultraviolet radiation from the sun.

### 115. Premises designed to facilitate supervision

The proposed development (including toilets and nappy change facilities) are designed in a way that facilitates supervision of children at all times, having regard to the need to maintain the rights and dignity of the children.
