

All work to be carried out in accordance with BCA, AS & Council conditions.  
 Copyright: The concepts & information contained in these drawings are the copyright of Idrift Group Pty Ltd. Use or duplication in part or in full without written permission of Idrift Group Pty Ltd constitutes an infringement of copyright. Do not scale off architectural drawings. These notes must be read in conjunction with current editions for additional details on appliances, PC items & shower screens shown on plans are made to dimensions shown on plans to be fitted in place of the bathroom. They may be required to accommodate drainage lines & steel beams position to be determined on site. Use liquid dimensions (DL) to not scale. Finished ground levels shown on plans are subject to site conditions. All calculated dimensions are subject to site measure during construction & no allowance has been made for overage or underage. Position of electrical meter to be determined on site in accordance to the latest position from garden tap on meter.  
 Energy Smart Design: AAA rated water conservation devices include shower screens, shower heads, water tap flow regulators, dual flush toilets & cisterns & compliant hot water systems with minimum green house score of 3.5 stars are to be used in this development. All occupants are encouraged to use AAA rated dish washing machines with front loading where possible.
