**Re: Proposed Residential Development EVO Fairfield, at 48-54
Court Road + 356-368 Horsley Drive, Fairfield, NSW:
Building A, B, C & D - Additional Three Levels.**

We, El Australia, are professional Engineers in accordance with the Building Code of Australia, confirm that the current Buildings A (8 levels above ground), B (12 levels above ground), C (12 Levels above ground) & D (8 Levels above ground) main structures elements including the Pile Foundations, Columns, Walls, Ground floor transfer slab and Level 1 & 2 transfer slabs are designed and constructed to support the three additional storeys proposed for each building.

We confirm that the structural integrity of the buildings currently under construction at the site can accommodate the additional loads that will be imposed.

This certificate shall not be construed as relieving any other party of their responsibilities.

For and on behalf of
EI AUSTRALIA
