Dear Jason

Extension and continuation of Western Riverina Quarry DA 2022/029

Thank you for the opportunity to comment on the extension and continuation of Western Riverina Quarry DA 2022/029. DPI Agriculture (DPI) is charged with building stronger primary industries, one component of our work focuses on enhancing the productive and sustainable use of NSW's agricultural resources.

Due to the site of the proposal DPI Ag considers that there will be very limited impacts on surrounding agriculture and forestry, and has no further comment.

Should you require clarification on the information contained in this response, or the above assistance, please contact Lilian Parker on 0427812508.

Yours sincerely
