MATTER DETERMINED

PPSWES-195 - DA 137/2023 – Griffith - 1/-/DP795105, 1-39 POOLE STREET GRIFFITH, Ancillary development to an educational establishment - Construction of new multi-purpose hall (as described in Schedule 1).

PANEL CONSIDERATION AND DECISION

The Panel considered: the matters listed at item 6, the material listed at item 7 and the material presented at meetings and briefings listed at item 8 in Schedule 1.

The Panel notes the following correction to the Council Assessment Report (p12) shown in bold:

Clause 3.58 Traffic-generating development Given that the proposed development is development for the purposes of an educational establishment that will **not** accommodate 50 additional or more students and is a new building that is on a site that has direct vehicular and pedestrian access to a road, written notice is **not** required to Transport for NSW (TfNSW).

Development application

The Panel determined to approve the development application subject to conditions, pursuant to section 4.16 of the *Environmental Planning and Assessment Act 1979*.

The decision was unanimous.

REASONS FOR THE DECISION

- The proposed development is permissible within the zone under GLEP 2014 and is consistent with the aims, objectives and special provisions of that environmental planning instrument.
- The proposed development is consistent with the provision the relevant SEPP that apply.
- The proposed development is considered satisfactory with regard to the objectives and controls set down in the relevant development control plans.
- The proposed development is unlikely to have any unreasonable impact on the environment, and where an adverse impact has been identified appropriate conditions have been imposed to mitigate the effects.
- The subject site is suitable for the proposed development.
- The subject site is not flood liable.
- The proposed development does not raise any matter contrary to the public interest.

CONDITIONS

The Development Application was approved subject to the recommended conditions attached to the Council Assessment Report and accepted by the Crown applicant, with the following amended conditions accepted by the applicant during the Panel meeting:

22. Construction Management Plan (CMP)

Prior to the commencement of work, a Construction Management Plan is to be prepared by a suitably qualified professional detailing the proposed traffic control and traffic management arrangements during the construction of the development. The Construction Management Plan is to address, but not be limited to, the following and is to be submitted to the Council for its information:

- (a) the management of traffic during construction;
- (b) the management of loading and unloading of construction materials on site;
- (c) details of material stockpiling/storage;
- (d) the identification of parking for construction worker vehicles, with construction worker vehicles not being permitted to park in the adjoining shopping centre car park;
- (e) details of dust mitigation measures; and
- (f) complaint management and contingency measures.

The construction and traffic management measures specified in the Construction Management Plan are to be implemented for the duration of construction.

45. Hours of operation

The hours of operation are limited to the hours as set out below:

School Hours:

Monday to Friday – 7:00am to 5:00pm

Weekends, or Special Events:

Monday to Friday – Up to 9:00pm

Saturday – 7:00am to 9:00pm

Sunday - 8:00am to 3:00pm

Any alteration to these hours will require a modification to this consent or a separate development application.
