Re: Letter of Support - Lithgow Mountain Bike Trails, DA170/25

Mingaan Wiradjuri Aboriginal Corporation supports the Lithgow Mountain Bike Trails project (DA170/25) proposed by the Central Tablelands Mountain Bike Club (CTMBC).

Mingaan has been consulted throughout the development of the project and looks forward to the opportunities committed to by Paul Smith (PMO 360, on behalf of CTMBC) and the Central Tablelands Mountain Bike Club, specifically:

- Employment of Aboriginal rangers during construction and ongoing maintenance of the trail network
- Upskilling and training of Aboriginal rangers in trail construction and land management
- Engagement of Aboriginal cultural heritage observers during construction works

We believe the project will deliver meaningful economic, employment, and cultural outcomes for the Aboriginal community in the Lithgow region, and we support its approval.

Yours Sincerely

Aunty Helen Riley

Director Mingaan Wiradjuri Aboriginal Corporation
