ORANGE NSW 2800

Attention: Mr Ben Hicks

Dear Mr Hicks

**DA 423/2019: Lot 200 DP 1194585; 643 Mitchell Highway (State HW7), Orange
5 MW AC (peak) Solar-PV facility, 'Orange Community Renewable Energy Park'**

Thank you for the abovementioned development application (DA) referral via the NSW Planning Portal dated 3 August 2021 inviting comment from Transport for NSW (TfNSW).

The information has been reviewed and TfNSW understands;

- the modification application seeks to modify the conditions of consent, being Condition (1)(b) and Condition (44) of Part B, to extend the maximum period of the lifespan of the approved solar farm from 25 years to 35 years.
- There are no changes to the proposed works or activities as described in the original development application.

Roads and Maritime makes no further submission in relation to DA 423/2019. Please note that Roads and Maritime's comments provided in our previous submission of 23 September 2019 stand.

Please forward a copy of Councils determination to TfNSW at
when it is sent to the applicant. If you wish to
discuss this matter further, please contact

Yours faithfully
