Dear Sir/Madam

**Re: IDAS-2021-10109 - Section 4.55 Modification Referral – General Terms of Approval**  
**Dev Ref: DA423/2019**  
**Description: Installation of a Solar Farm and associated works**  
**Location: 643 Mitchell Highway, ORANGE NSW 2800**

The Natural Resources Access Regulator (NRAR) has reviewed documents for the above application to modify a DA Consent and considers that, for the purposes of the Water Management Act 2000 (WM Act), previously issued General Terms of Approval are adequate, remain current, and no further assessment by this agency is necessary.

Should the proposed development be varied in any way that results in development extending onto land that is waterfront land, or encompassing works that are defined as controlled activities, then the Natural Resources Access Regulator (NRAR) should be notified.

If you have any questions regarding this correspondence, please use NRAR Assist to obtain further information or make an enquiry:
