Subject: RE: BVSC planning proposal for deemed concessional lots

Hi Sophie

Thanks for advising me that a map will be produced and provided to us for our review.

This information will assist BCD to provide a more thorough response to the planning proposal.

Regards
Lyndal

In order to ensure a high level of customer service and monitor work flow, South East Planning Team has an email address: rog.southeast@environment.nsw.gov.au. Please address all further email correspondence in relation to Planning matters to this address. If appropriate, emails can be marked to the attention of your usual contact in the team.

Our Vision: Together, we create thriving environments, communities and economies.

The Department of Planning, Industry and Environment acknowledges that it stands on Aboriginal land. We acknowledge the traditional custodians of the land and we show our respect for elders past, present and emerging through thoughtful and collaborative approaches to our work, seeking to demonstrate our ongoing commitment to providing places in which Aboriginal people are included socially, culturally and economically.

Subject: BVSC planning proposal for deemed concessional lots

Hi Anna, Lyndal and Wendy

I have given the list of parcels that may be affected by this planning proposal to a GIS consultant to generate a .pdf map that shows the distribution of the lots and their zones.

It is not possible to accurately describe the parcels that may be affected by this planning proposal for reasons described in the planning proposal. The map should not be released to the public or taken as definitive – it was produced using approximate data for the purposes of indicating to the scale of development that may result from this planning proposal.

This map is being produced by Council only because both Lyndal and Wendy have requested information about the distribution and zoning of potentially affected lots.

I will forward it through to you as soon as I am able.

Regards, Sophie
