RE: PP-2021/7404

Ausgrid would like to thank you for seeking input and feedback regarding this planning proposal.

Ausgrid requires that due consideration be given to the compatibility of proposed development with existing Ausgrid infrastructure, particularly in relation to risks of electrocution, fire risks, Electric & Magnetic Fields (EMFs), noise, visual amenity and other matters that may impact on Ausgrid or the development.

Ausgrid has no comment to make regarding this planning proposal (Re zoning) at this point in time.

Ausgrid however does look forward to reviewing future Development Application submissions for any development attached to this proposal and will then provide further feedback accordingly.

Please do not hesitate to contact me for further information.
