Hi Chris,

Thank you for delivering the amended Planning Proposal and documents this afternoon (7 December 2018) and your request to re-activate the proposal.

As discussed previously, this proposal must now be forwarded to Council's Local Planning Panel for advice and then sent to Council for consideration. Unfortunately the next Panel meeting is in February 2019 and the next likely Council meeting is late February or early March 2019.

If we have any further questions in our assessment process we will contact you as soon as possible.

Thank you.

Chris.
