Instructions to users

This form is to be completed if you wish to request an independent review related to plan-making under Part 3 of the *Environmental Planning and Assessment Act 1979*. A review can be requested at pre-Gateway stage and following a Gateway determination. This form relates to pre-Gateway review requests.

A pre-Gateway review can be sought before a planning proposal has been submitted to the Department of Planning and Infrastructure (department) for a Gateway determination and in the following circumstances:

- a) the council has notified the proponent that the request to prepare a planning proposal is not supported; or
- b) the council has failed to indicate its support 90 days after the proponent submitted a request, accompanied by the required information.

Before lodging a request for review, it is recommended that you consult the Planning Circular '*Delegations and independent reviews of plan-making decisions*' and '*A guide to preparing local environmental plans*', which can be found on the department's website www.planning.nsw.gov.au. The guide gives a step-by-step explanation of the review procedure and submission requirements.

To ensure that your request for review is accepted, you must:

- complete all relevant parts of this form
- submit all relevant information required by this form, including the initial fee.
- provide one hard copy of this form and required documentation
- provide the form and documentation in electronic format (e.g. CD-ROM)

Note: Requests for review will not proceed to initial assessment stage unless the correct fee is provided.

The department may request further information if your request for review is incomplete or inadequate.

All requests must be lodged with the department's relevant Regional Office. Please refer to www.planning.nsw.gov.au for contact details.
