A dynamic player in the Sydney development market

Conquest™ is a distinguished Australian property group, specialising in development and construction management.

We have over 10 years of experience in the property industry and a renowned reputation for delivering superior buildings and quality construction management across our business.

We take onboard a fused approach in the deliverance of a project whether it be a existing or DA approved acquisition through to the planning design, construction, development, leasing, and sales.

The Conquest™ objective is to “radiate excellence”. Deriving from the notion ‘if you love what you do, you will flourish’, and excellence will follow.

Conquest™ is pushing boundries and looking for ways to redefine the design and construction industry, and create a more sustainable, connected and vibrant urban environments, leaving a legacy.

People architecture invested in global and local culture

Woods Bagot is a People Architecture company. We place human experience at the centre of our design process in order to deliver engaging, future-oriented projects that respond to the way people actually use space.

We do this as a global design and consulting studio with a team of over 850 experts working across 15 studios in Australia, Asia, Europe, the Middle East and North America.

Our Global Studio model allows us to work collaboratively across time zones and borders, using the latest technology to share design intelligence and strengthen our knowledge base around the world.
