Hi Jennie,

The report on the Planning Proposal will not be going to the December Council meeting.

Apparently the item was considered at a Councillor workshop on Tuesday 27 November, where the Councillors resolved to go into a Committee of the whole and considered and voted on this proposal.

I have been advised that the Councillors were unanimous in their vote to reject the Planning Proposal and not forward it to the Department for gateway determination.

Once I get the official minutes from the day and will provide a formal response.

Regards
