Dear Tony

Woolworths Planning Proposal: 130-142 Paraweena Road Miranda
[In response, please quote File Ref: 2016/257692]

At our meeting of 30 November 2016 at Sutherland Shire Council, you let us know that you needed to resubmit the planning proposal with an amended planning study, and that the 90 day assessment period for the planning proposal would recommence when you resubmitted. You stated at that time that the planning proposal would be resubmitted in December. At your request, the planning study and all appendices were removed from Council's website.

A subsequent meeting to discuss flooding in relation to the planning proposal was held at Council on 7 December 2016 with you and Andrew Francis (Henry and Hymas, Flood engineer for Woolworths) to discuss the flooding report on the site with Jack Slater (SSC Flood engineer).

Please confirm that you still intend to proceed with this planning proposal, and if so, when it will be submitted.

Yours sincerely

Mark Carlon
(Manager Strategic Planning)
