To: Robyn Williams <RWilliams@ssc.nsw.gov.au>

Good afternoon Robyn - we refer to Council's email of 28/4/17, subsequent correspondence and the meeting between Woolworths and Council's traffic engineers on 13/6/17.

Please find attached the updated traffic report by Colston Budd Rogers & Kafes, which includes an updated report by GTA Consultants.

Also attached is an Addendum EIA by Macroplan, updating information provided in Macroplan's original EIA submitted with the Planning Proposal.

Please advise if you require any further information.

Regards
Tony
