Dear Mr McDonald

**PRE-GATEWAY REVIEW REQUEST - 815 PACIFIC HIGHWAY, CHATSWOOD
(PGR_2015_WILLO_001_00)**

I refer to your request on behalf of Linfields Development Pty Ltd for a pre-Gateway review of the planning proposal for 815 Pacific Highway, Chatswood.

I have considered your request together with the recommendation of the Sydney East Joint Regional Planning Panel (the Panel) and advice provided by Willoughby City Council and determined that the proposal should not be submitted for a Gateway determination. Please find enclosed a copy of the Panel's advice for your information.

I note the Panel's unanimous recommendation that the proposal should not be submitted for a Gateway determination due to:

- concern that the proposal may result in the commercial core being eroded and becoming dominated by non-commercial land uses; and
- from an urban design perspective, the proposed one off height increase to 130m is difficult to sustain without a centre wide review.

I note the majority of the Panel were of the view that some height uplift may be reasonable on the site, since the 60 metre height limit is incongruous with the 90 metre height limit on the land adjacent to the east, as could the inclusion of some non-commercial land use, subject to an increased minimum on site commercial floor space ratio of 7:1 or better. I note the majority of the Panel were also of the view that the inclusion of some residential gross floor area on the site may assist in the delivery of the desired increased employment floor space in the core.

Although there are no opportunities to appeal this decision, should you wish to pursue this matter further you have the option of preparing a new proposal for consideration by Council. I encourage you to liaise with Council prior to submitting any further proposal, and to work with Council to have the above matters considered in its economic development studies.

Should you have any queries about this matter, I have arranged for Ms Yolande Miller, of the Department's Sydney Region East team to assist you. Ms Miller can be contacted on (02) 9228 6500.

Yours sincerely

Marcus Ray
Deputy Secretary
Planning Services
