Dear Sir,

**PLANNING PROPOSAL TO REZONE LAND AT GREYLEIGH DRIVE AND OLD
SADDLEBACK ROAD, KIAMA
ABORIGINAL DUE DILIGENCE ADVICE**

The Aboriginal Due Diligence Report by Biosis dated 27 April 2018 was prepared as part of the original field investigations and land capability assessments supporting the abovementioned Planning Proposal application. Since the time of the original field work and investigations, the area of the subject site has been revised. The Planning Proposal application applies to a smaller land area than originally investigated. The reasons for this adjustment are explained in Section 3.1.1 to the Planning Proposal Application Report.

The Aboriginal Due Diligence Advice covers the entire site to which the Planning Proposal application applies.

Please do not hesitate to contact us if you require further clarification of the above.

Yours sincerely,

Sophie Perry
