Good Morning Chris + Rachel,

Council Officers are currently reviewing and formulating a submission on the Westmead Place Strategy. We anticipate that this submission will include a discussion of your Planning Proposal. Accordingly, you will be notified then the business papers containing the relevant report is released and you will have the opportunity address Council in relation to the item.

In the interim, we do not believe that holding a meeting will be of value to either party until Council has adopted a position on the Westmead Place Strategy. I have reviewed the submitted material and advise that the advice previously provided to you still stands and will continue to do so unless Council adopts an alternative position when considering the report on the Westmead Place Strategy.

Kind regards,

Marko

Hi Marko,

Hope you're well.

Could we please request a meeting with Council to discuss the amended PP as submitted to Council in December?

Kind regards,
