It is the Council's policy to consider previous land uses to determine whether land may be affected by contamination which restricts or prohibits the carrying out of development on the land. Depending on the previous uses of the land, the applicant may be required to investigate possible site contamination and/or carry out remediation as part of any proposed development and the development potential of the site may be restricted or prohibited. This is assessed by the Council on a case-by-case basis.

The Council will have regard to Clause 6.1 Acid Sulfate Soils of Willoughby Local Environmental Plan 2012 and the Acid Sulfate Soils Map in assessing any development applications relating to the land.

7A. FLOOD RELATED DEVELOPMENT CONTROLS INFORMATION

- (1) Development on that land or part of the land for the purposes of dwelling houses, dual occupancies, multi-dwelling housing or residential flat buildings (not including development for the purposes of group homes or seniors housing) is subject to flood related development controls
- (2) Development on that land or part of the land for any other purpose is subject to flood related development controls

NB. This response does not imply that development for particular purposes is permissible on the land. Development is permissible in accordance with the zoning and landuse as set out in Question 2. ZONING AND LANDUSE of this Certificate

Council has adopted the 1% flood event as the standard for flood planning for both residential and non-residential uses. These standards can be found in the Willoughby Development Control Plan.

Council ascertains the 1% flood event by reference to the maps outlined in the Overland Flooding Investigation and relevant flood studies which are available for inspection at Council's offices during business hours and from Council's web site.

8. LAND RESERVED FOR ACQUISITION

The land is not affected by any environmental planning instrument, deemed environmental planning instrument or draft environmental planning instruments which provides for the acquisition of the land by a public authority, as referred to in section 3.15 of the Act.
