1.0 INTRODUCTION

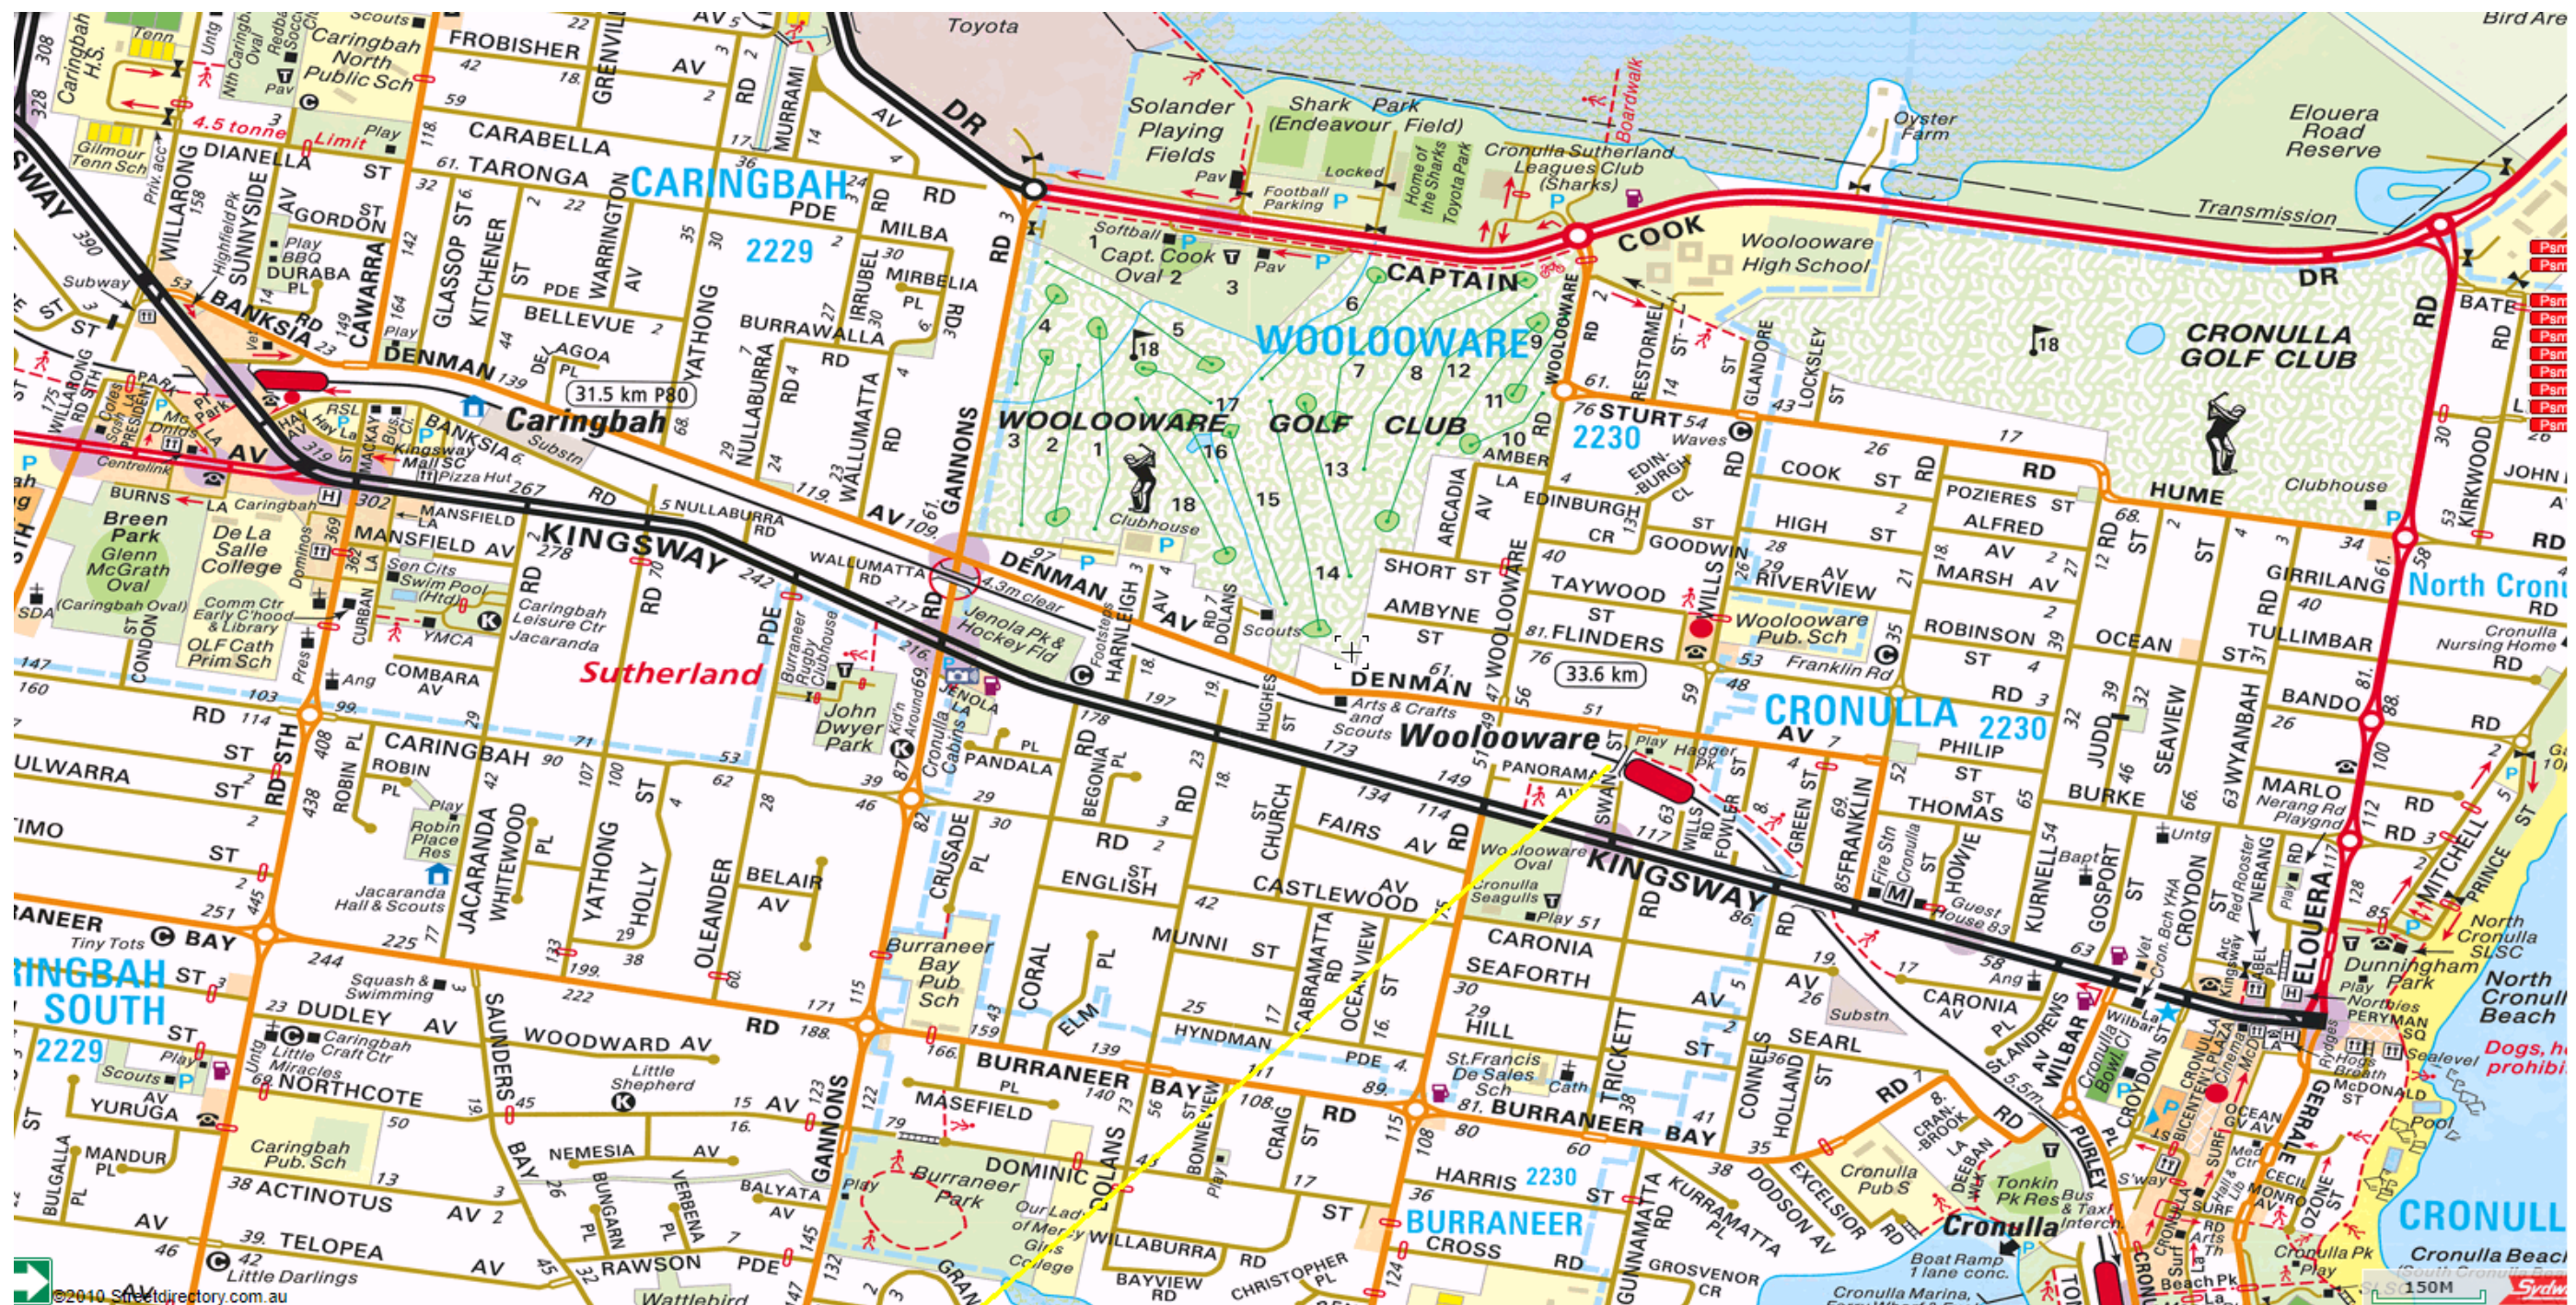

1.1 Background

A site compatibility certificate application is to be lodged with the Department of Planning, Housing and Infrastructure (DPHI) by Pacific Planning on behalf of Pacific Community Housing for an affordable housing project at No 1 Panorama Avenue, Woollooware. The site is noted in **Figure 1 Locality Map** and the aerial photo **Figure 2** prepared by Stanasic Architects. The property is within Zone R3 Medium Density Residential in Sutherland Shire LEP2015. The site is located approximately 10 metres to the Woollooware railway station entrance in Swan Street.

1.2 Scope of Report

This report has been prepared to assess the transport, traffic and parking impacts to assist the delegate of the secretary of DPHI in the assessment of the site compatibility certificate application. The tasks involved in preparation of this report were as follows: -

1. Review architects' plans, Sutherland LEP 2015 and DCP 2015, SEPP Housing 2021 and the public transport services in the locality.
2. Inspect the site and environs. Measure road and footpath widths. Record all signposted parking restrictions and traffic control signs.
3. Design and conduct parking accumulation surveys in Swan Street and Panorama Avenue, carry out drop-off and pick-up surveys from 7am to 2pm and 4pm to 8pm on a weekday in Swan Street at Woollooware station entrance.
4. Review the car parking requirement in accordance with *SEPP Housing 2021*
5. Review bicycle parking requirement for compliance with the *DCP2015*.
6. Prepare a Traffic and Parking Assessment Report.

Site Location

2.0 EXISTING SITE AND TRAFFIC CONDITIONS

2.1 Existing Site and Environs

This site is located at the corner of No 1 Panorama Avenue and Swan Street and is approximately 10 metres from Woollooware Railway Station entrance. The site is quadrilateral in shape with an eastern boundary of 18.28 metres (Swan Street) and a southern boundary of 31.47 metres (Panorama Avenue). The site area is 674.9m². There is a slight fall of 0.81 metres from the south eastern corner to the north western corner. The northern boundary abuts the Sutherland to Cronulla Railway line and Woollooware Station. There is an existing single storey brick residence, concrete block 2 car garage and swimming pool on the site.

2.2 Road Inventory

There is a concrete footpath on both sides of Swan Street and Panorama Avenue. The site has a concrete driveway in Swan Street and in Panorama Avenue. An aerial view of both roads is shown in **Figure 2**. In Swan Street, the eastern footway is 3.6 metres wide, the western footway is 3.9 metres wide and the road pavement is 12.8 metres wide with 150mm kerb and gutter on both sides.

Panorama Avenue has a footway 1.4 metres wide on the northern side, a footway 2.5 metres wide on the southern side and a road pavement 7.4 metres wide with 150 mm kerb and gutter.

Both Swan Street and Panorama Ave are “No Through” roads. There are “No Parking” restrictions at the northern end of Swan Street at the railway station and on the western side along the frontage to No 1 Panorama Ave. The “No Parking” restrictions apply to the southern side of Panorama Avenue for its full length and in the cul-de-sac western end.

There are a total of 14 unrestricted kerbside parking spaces in Swan Street and 12 on the northern side of Panorama Avenue. **Photographs 1, 2, 3 and 4** show views of both streets on 12/4/2021. There is no Loading Zone for service and delivery vehicles in Swan Street and Panorama Avenue.

Panorama Avenue was parked out from 7:45am to 1:45pm. Panorama Avenue is only 7.4 metres wide and a MRV could not turn to drive out in a forward direction if a loading zone was provided on the northern side.

The complete survey results are contained in **Appendix B**.

3. 1 vehicle was recorded parking in “No Parking” zone A at 7:45am, 12:45pm and 4:00pm.

3.0 THE PROPOSED DEVELOPMENT

3.1 Proposed Development

The Site Compatibility Certificate (SCC) application has been prepared by Pacific Planning on behalf of Pacific Community Housing (PCH) a registered Community Housing provider.

The proposal seeks to demolish the existing brick dwelling, concrete block garage and swimming pool and driveway crossings and facilitate a 28 apartment mixed use development including a mix of development types with 50% of apartments to be delivered as affordable housing and a commercial area. There is communal landscaped courtyard and bicycle parking for 28 bicycles which is provided in a specialised fire rated enclosure suitable for E bike charging.

A mix of studio, 1 bedroom, 1 bedroom plus study and 2 bedroom units as illustrated on Drawing DA 102 Levels 2 to 8 located in **Appendix A**. A maximum of 14 dwellings will be managed as affordable housing. The unit schedule mix is summarised below in Table 3.1.

Table 3.1 Unit mix and Schedule

Level	Type of Unit				
	Studio	1 Bed	2 Bed	Commercial	Community
Ground 01				62m2	
Level 02	1	2	1		
Level 03	1	2	1		
Level 04	1	2	1

Level 08	1	2	1		
Roof Terrace					Communal Facilities
Totals	7	14	7		
Note	*		*		
Note*	Provision for 3 livable units and 6 adaptable units				

3.2 Parking Requirement and Provision

Under *Division 5 Residential Flat Buildings in SEPP (Housing) 2021*, Clause 38(4), car parking is not required to be provided in relation to development to which this Division applies. No car parking is provided for the residential units. There is no parking requirement listed in the R3 zone for commercial or retail premises. However car parking (2 spaces) has been provided at 1 space per 30m2 GFA for the 62m2 ground floor commercial unit.

Three (3) motorbike parking spaces are provided for visitors as stated in the SCC Report and located on Drawing DA101. A copy of this drawing is located in **Appendix A** of this report.

3.2 Bicycle Parking

Clause 5.2 of the Sutherland Shire Council DCP Chapter 35 has a requirement of 1 bicycle parking space per 10 car parking spaces for the first 200 car spaces. Since there are no car parking spaces, the architect has provided 1 bicycle rack for each dwelling unit to reduce car dependency and support public transport use. The bicycle storage is located behind a security door, and within a specialised fire rated enclosure so that E-bike charging is provided with safety. The bicycle parking is shown on Drawing DA101 Ground Floor Plan. The bicycle parking facilities are to comply with *AS 2890.3-2015 Part 3 Bicycle Parking*.

3.4 Delivery/ Service Vehicles

The on-street parking is heavily utilised and there is no on-street parking available for service and delivery vehicles for the majority of the day from 7am to 6pm on weekdays. There is an opportunity to provide a 5 minute pick up and drop off Zone in the "No Parking" zone A adjacent to the site in Swan Street.

One of the car parking spaces provided for commercial car parking can be utilised by an independent waste contractor vehicle, a small waste vehicle for servicing waste before business hours. Collection times could be between 6am and 7:30am on weekdays. This results in the bins being collected from a central area within the site and not on the street for kerb side collection. Separate waste rooms for commercial use and residential use are provided on the ground floor.

4.0 GREEN TRAVEL PLAN

A travel plan contains both physical and behavioural measures to increase travel choices and reduce reliance on single-occupancy car travel. It is intended that a travel plan will be implemented by the Community Housing Manager to encourage active transport usage, that is walking and cycling.

The coordination, implementation and funding for the Green Travel Plan will be the responsibility of the Strata Manager. Acknowledging the location and accessibility of the subject development, this Green Travel Plan seeks to minimize use of private vehicle transport through: -

- a) Providing convenient access to current and relevant public transport information.
- b) Improved road safety and personal security for pedestrians and cyclists; maximizing the efficient use of on-site bicycle parking.
- c) Providing a mechanism to review the efficiency of green travel initiatives and amend existing or implement new initiatives as warranted.

4.1 Action Plan

A draft action plan is provided in **Appendix D**. The plan is an outline of the actions and incentives that will be adopted to encourage the use of sustainable transport modes.

4.2 Green Travel Initiatives

Sustainable transport information could be placed in key building foyer locations where it will be clearly visible to the residents and visitors of the building. Detailed travel information will be available in the bicycle storage area.

4.3 Public Transport

To encourage public transport use, information sourced Transport for NSW Apps and Cyclepath Finder will be provided through posters and leaflets and through wayfinding signage. The information provided will detail the scheduling / frequency of local services, the location of train stations / bus stops and linkages to other networks.

4.4 Cycling

To promote and market the use of bicycles, a map of the extensive network of on and off-street bicycle paths in the vicinity of the site will be provided to employees and visitors in the form of building signage.

4.5 Walking

To highlight pedestrian accessibility in the vicinity of the site, an access plan will be prepared showing pedestrian linkages surrounding the site and close proximity walking distances to Woollooware station, shops and bus stops.

4.6 Car Share

One of the commercial spaces could be utilised for a community car share space outside of normal weekday business hours. The space would be managed by the Community Housing provider and vehicle provided for tenants to use. A QR code could be provided with an app application for tenants wishing to book the use of the car share space.

As this would be an independent system, this would be available for tenants or commercial tenants to use. This is different to a “Go Get” system or Uber Car Share system as tenants who wish to use the car share space would have priority for the use of the car and this would improve the amenity of the development.

5.0 TRAFFIC IMPACTS OF PROPOSED DEVELOPMENT

5.1 Impacts on Frontage Road Traffic

The existing residential dwelling has 2 car spaces. Based upon traffic generating data in the *RTA Guide to Traffic Generating Developments*, a detached dwelling generates 1 trip in the am and pm peak hour and 9 trips daily.

The proposed multi-unit development has no off street car parking spaces for the residential use and 2 car parking spaces for the commercial unit. The additional traffic generated by the commercial unit, visitors, drop-off and pick-up by taxi or car and service vehicles/delivery vehicles would not be significant.

5.2 Pedestrian Safety

Removal of the existing driveway crossings would reduce any minor vehicle/pedestrian conflict. Both Swan Street and Panorama Ave have concrete footpaths on both sides and the proposed development has footpath access to Woollooware railway station entry.

5.3 Off Street Parking

There is no requirement for off street parking for affordable rental housing in *SEPP (Housing) 2021*.

6.0 SUMMARY AND CONCLUSIONS

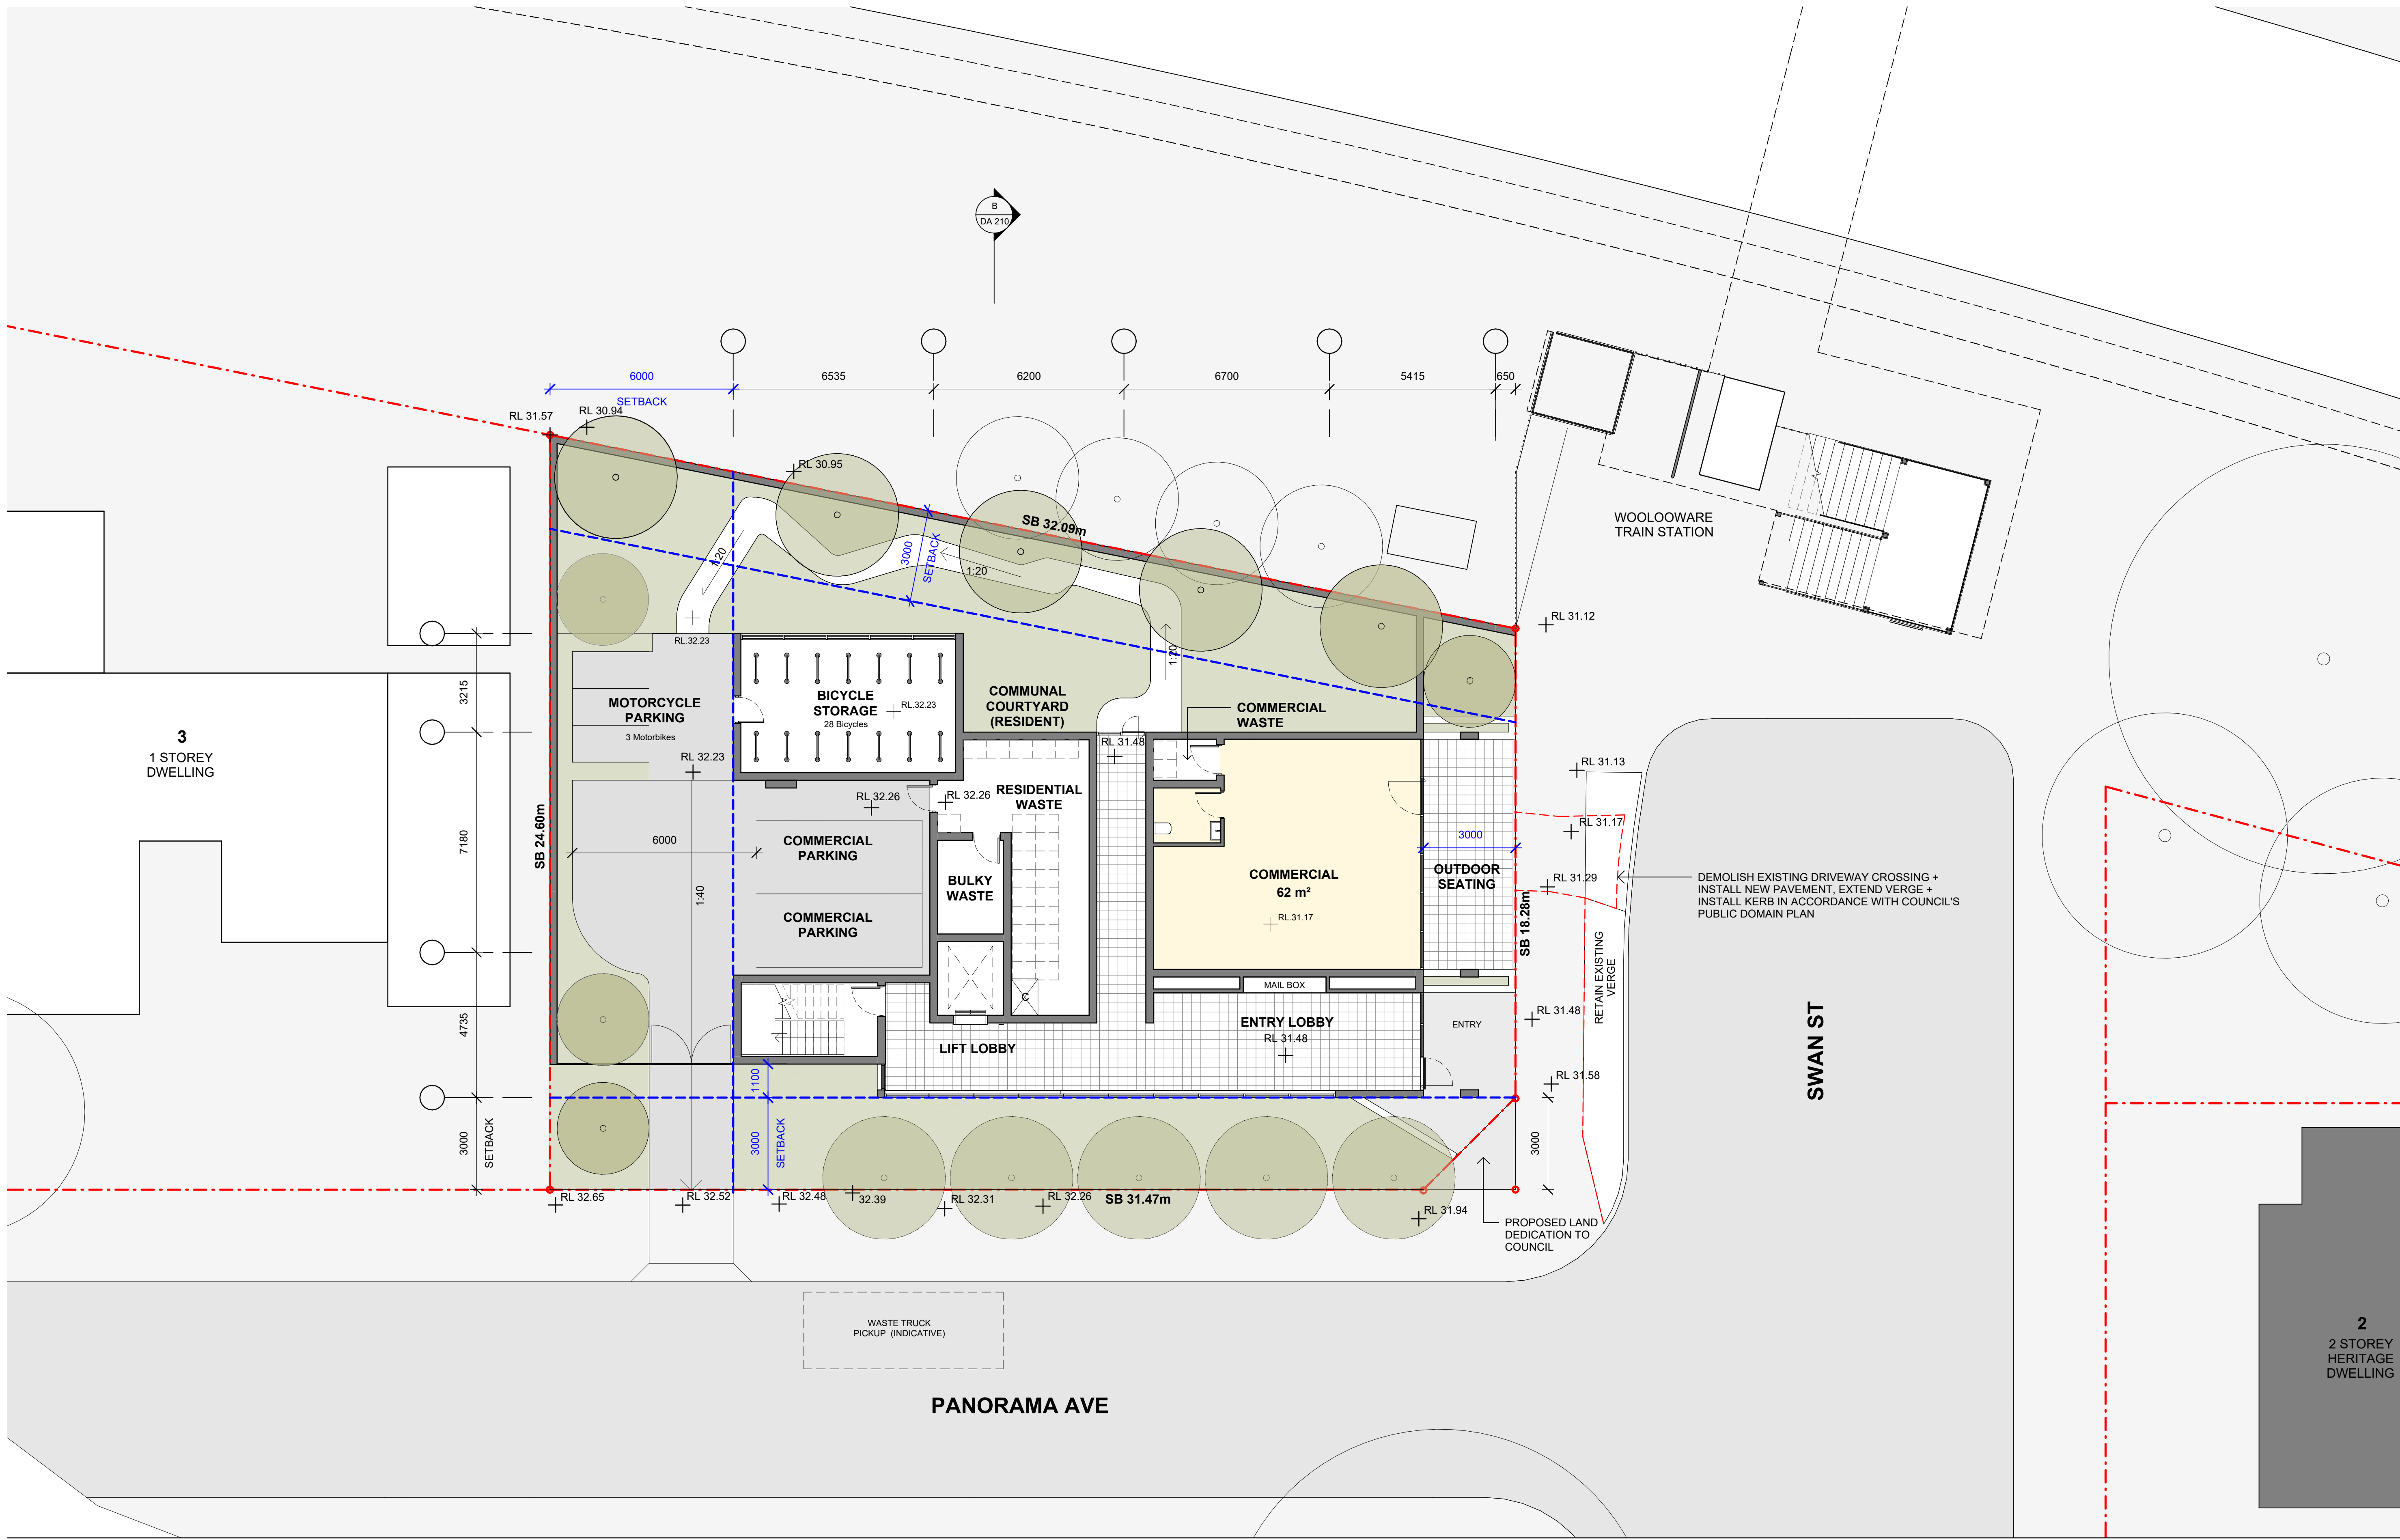

1. A site compatibility certificate application is to be lodged with for 28 affordable housing units and a commercial unit with an area of 62m² in an eight (8) level building at No 1 Panorama Avenue, Woollooware. 6 units are adaptable and 3 units are livable housing units.
2. The applicant is applying for a Site Compatibility Certificate (SCC) under the provisions of Division 5 of the *SEPP (Housing) 2021*.
3. No off street car parking is required under the *SEPP (Housing) 2021* and none is provided for the residential use and 2 car parking spaces are provided for the commercial use and 3 motorbike parking spaces.
4. Woollooware railway station has regular and frequent services on weekdays and the weekend and is adjacent to the proposed development. Bus stops in Kingsway are within easy walking distance.
5. Swan Street and Panorama Avenue have 26 unrestricted Parking Spaces that are almost fully occupied on weekdays between 7am and 6pm. A survey showed that Swan Street was parked out from 7:15am to 2pm and at 4:00, 4:15 and 6:30pm. Panorama Avenue was parked out from 7:45am to 1:45pm. There were at least 2 vehicles parked illegally between 1 and 2 pm and between 4pm and 7pm on a weekday.
6. The development has 28 secure bicycle racks and a Green Travel Plan to encourage public transport use, walking and cycling.
7. There were a large number of “Drop offs” and “Pick-ups” in Zone B at the railway station entrance. These activities are permissible in Road Rule No 168 if the driver remains in the vehicle and does not stay for longer than 2 minutes.
8. The development is supported on traffic and parking grounds.

Recommendation

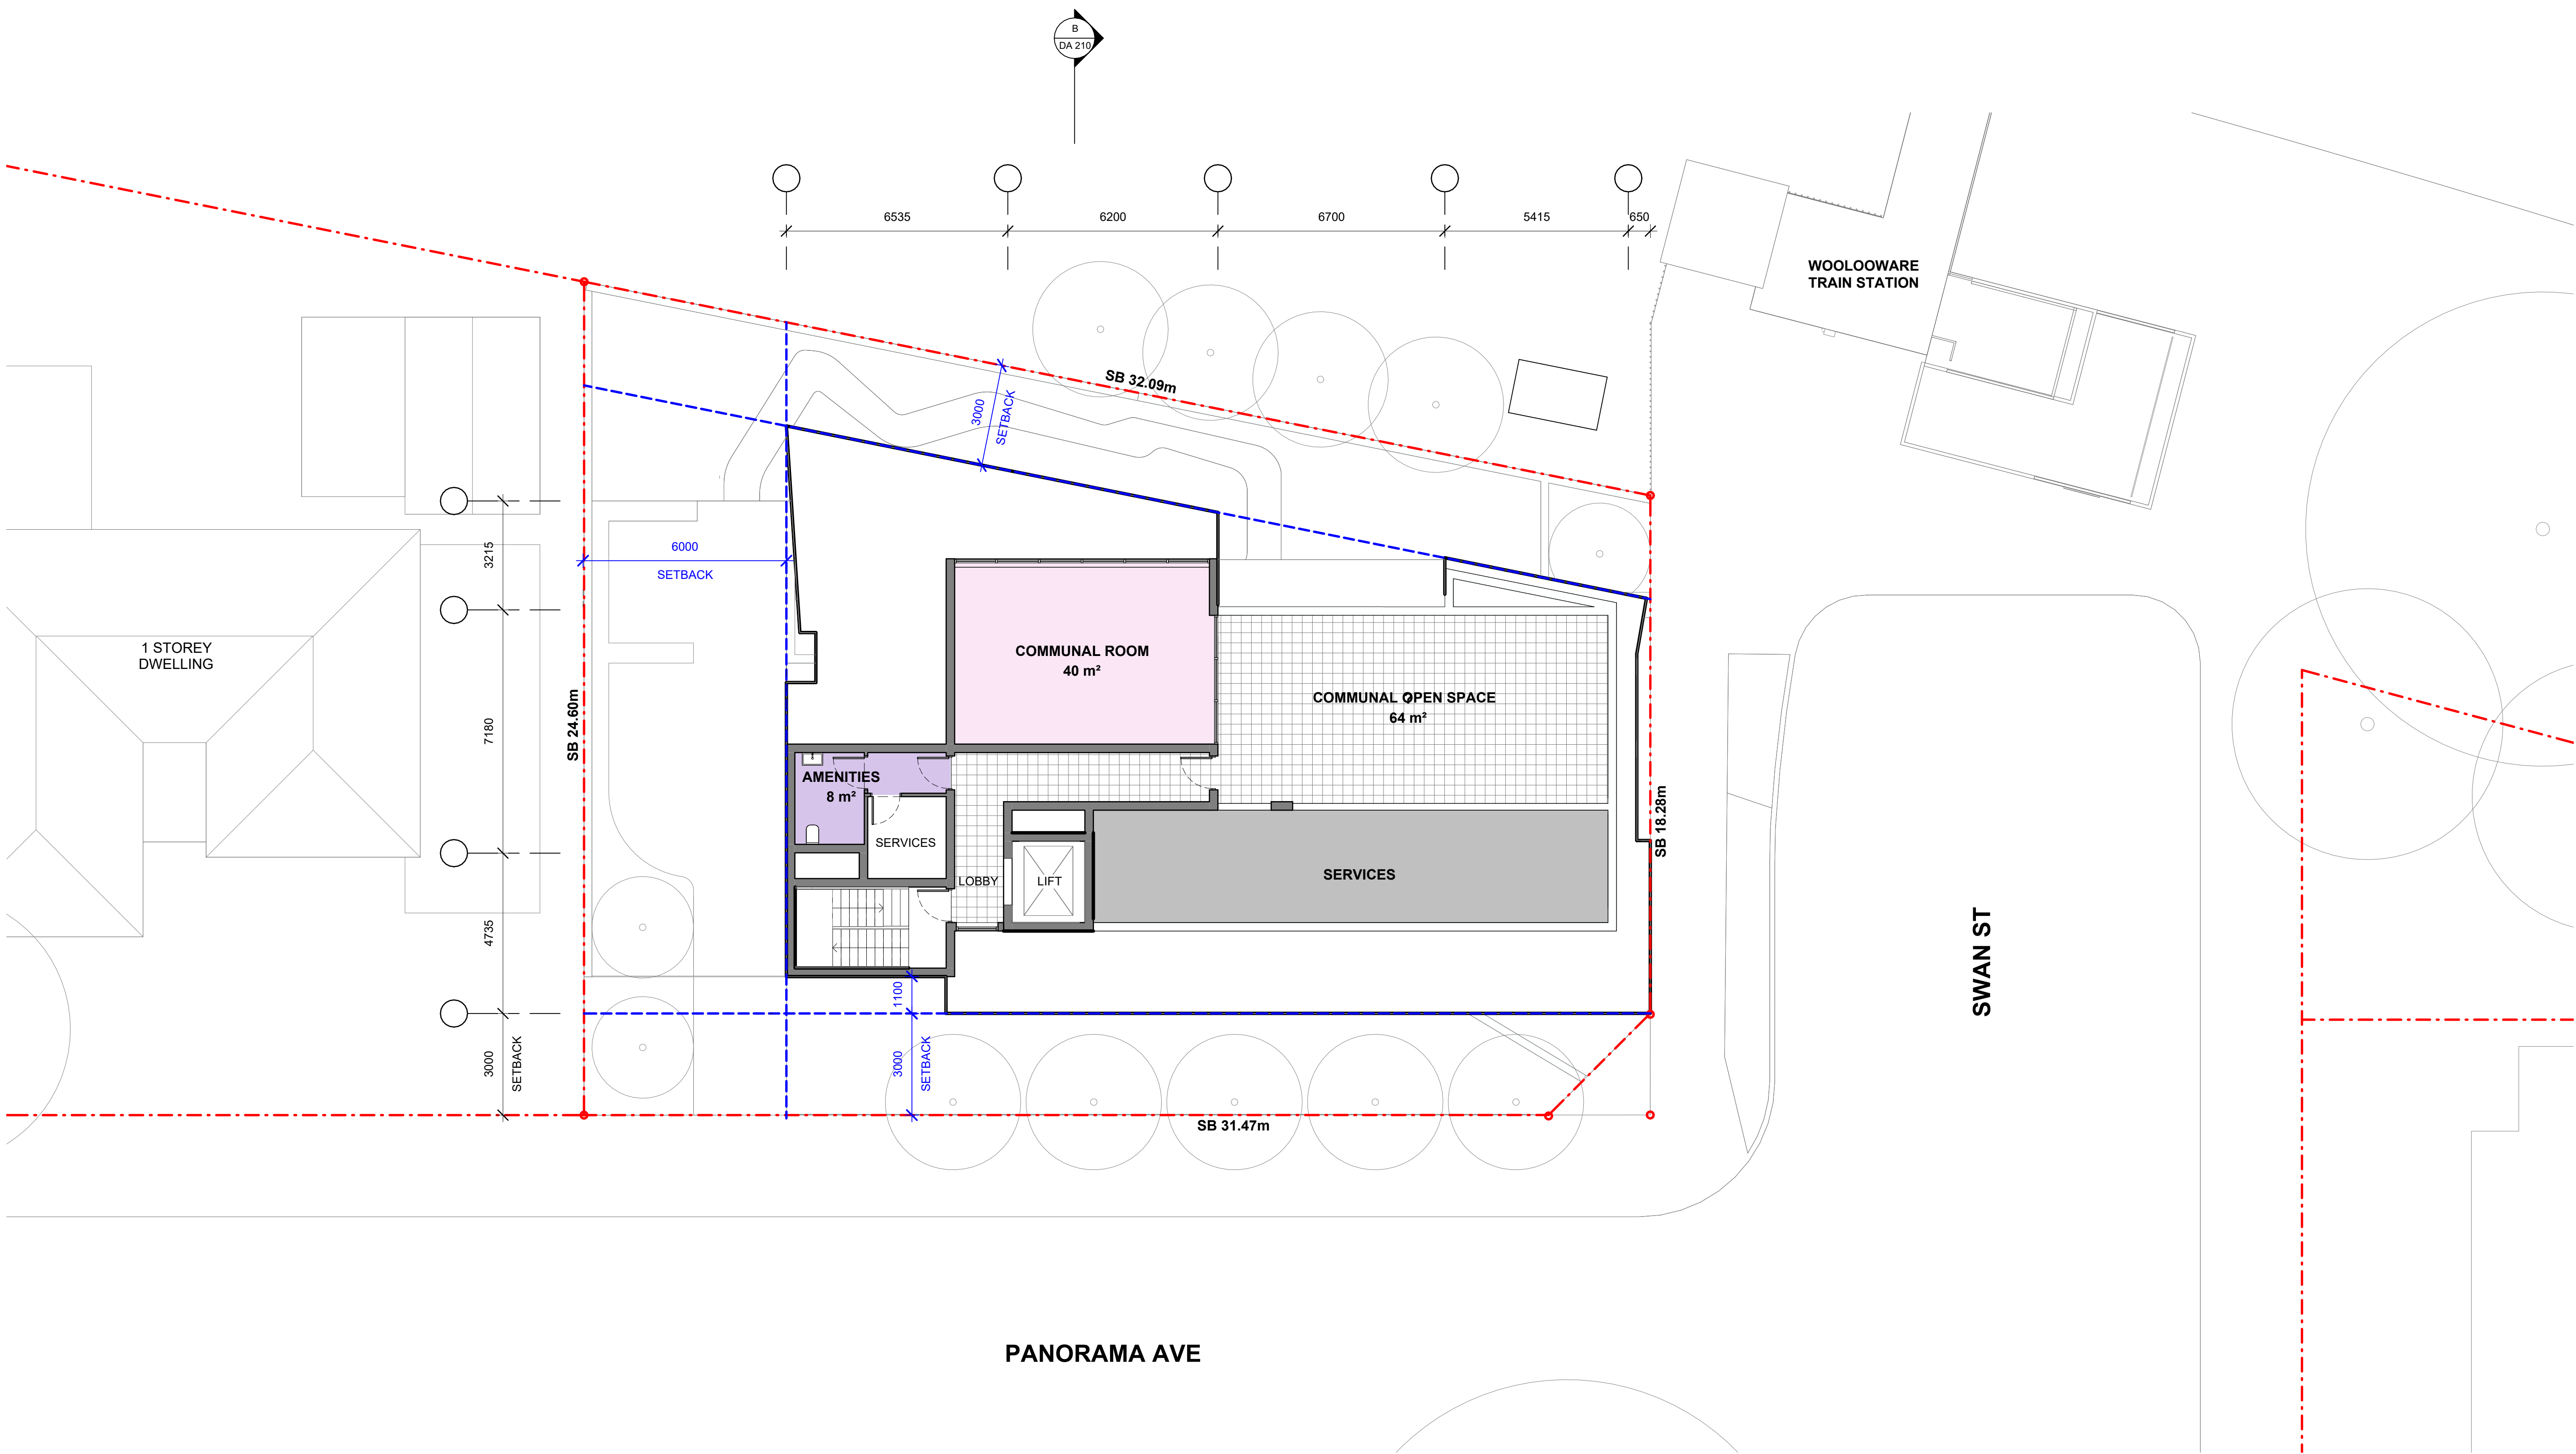

There is currently no on street loading zone for vehicles to load and unload. It is recommended that one (1) space in the “No Parking” zone A be sign posted “5 minute pick up and drop off zone”.

Fares

In Sydney and surrounding regions, fares are based on:

- the distance you travel from tap on to tap off
- the mode of transport you choose
- whether you're eligible for a concession fare or free travel
- any Opal benefits such as discounts and capped fares that apply.

You can use an Opal card or a contactless payment to pay for your travel.

Opal cards

An Opal card is a smartcard you keep and reuse. Add value before you travel, and tap on and tap off to pay your fares throughout Sydney, the Blue Mountains, the Central Coast, the Hunter and the Illawarra.

Which Opal card is right for you?

Adult – Customers 16 years or older who are not entitled to any concessions and normally pay full fare.

Child/Youth – For customers aged 4-15 (inclusive), or customers 16 years or older who hold a NSW/ACT Senior Secondary Student Concession Card.

Gold Senior/Pensioner – For eligible NSW and interstate seniors, pensioners, war widows/ers and asylum seekers.

Concession – For eligible tertiary students, job seekers, apprentices and trainees.

How to get an Opal card

You can get an Adult or Child/Youth Opal card over the counter at Opal retailers that display the Opal sign . To find your nearest retailer visit transportnsw.info/opal

If you are eligible to travel with concession fares, you can apply for a Gold Senior/Pensioner or Concession Opal card online. Visit transportnsw.info/opal for more information.

Contactless payments

If you have an American Express, Mastercard, Visa card or linked device, you can use it to pay for all public transport on the Opal network. Just make sure to tap on and tap off at Opal readers at the beginning and end of your trip.

Always separate your cards when you tap on and tap off so your preferred card is charged.

You will receive the same travel benefits of an Adult Opal card when you tap on and tap off consistently with the same credit card, debit card or linked device. This includes daily, weekly and weekend travel caps, and a \$2 transfer discount when you change between metro/train, ferry, bus and light rail services within 60 minutes. Adult Opal fare pricing applies.

Fares

In Sydney and surrounding regions, fares are based on:

- the distance you travel from tap on to tap off
- the mode of transport you choose
- whether you're eligible for a concession fare or free travel
- any Opal benefits such as discounts and capped fares that apply.

You can use an Opal card or a contactless payment to pay for your travel.

Opal cards

An Opal card is a smartcard you keep and reuse. Add value before you travel, and tap on and tap off to pay your fares throughout Sydney, the Blue Mountains, the Central Coast, the Hunter and the Illawarra.

Which Opal card is right for you?

Adult – Customers 16 years or older who are not entitled to any concessions and normally pay full fare.

Child/Youth – For customers aged 4-15 (inclusive), or customers 16 years or older who hold a NSW/ACT Senior Secondary Student Concession Card.

Gold Senior/Pensioner – For eligible NSW and interstate seniors, pensioners, war widows/ers and asylum seekers.

Concession – For eligible tertiary students, job seekers, apprentices and trainees.

How to get an Opal card

You can get an Adult or Child/Youth Opal card over the counter at Opal retailers that display the Opal sign . To find your nearest retailer visit **transportnsw.info/opal**.

If you are eligible to travel with concession fares, you can apply for a Gold Senior/Pensioner or Concession Opal card online. Visit **transportnsw.info/opal** for more information.

Contactless payments

If you have an American Express, Mastercard, Visa card or linked device, you can use it to pay for all public transport on the Opal network. Just make sure to tap on and tap off at Opal readers at the beginning and end of your trip.

Always separate your cards when you tap on and tap off so your preferred card is charged.

You will receive the same travel benefits of an Adult Opal card when you tap on and tap off consistently with the same credit card, debit card or linked device. This includes daily, weekly and weekend travel caps, and a \$2 transfer discount when you change between metro/train, ferry, bus and light rail services within 60 minutes. Adult Opal fare pricing applies.

Route 969

33T4

Cronulla, then all stations to Sutherland and return

Temporary buses run during major events or if trackwork affects your train service.

How to use this timetable

This timetable provides a snapshot of service information in 24-hour time (e.g. 5am = 05:00, 5pm = 17:00). Information contained in this timetable is subject to change without notice. Please note that timetables do not include minor stops, additional trips for special events, short term changes, holiday timetable changes, real-time information or any disruption alerts.

For the most up-to-date times, use the Trip Planner or Departures at transportsw.info

Real-time planning

You can plan your trip with real-time information using the Trip Planner or Departures at transportsw.info or by downloading travel apps on your smartphone or tablet.

The Trip Planner, Departures and travel apps offer various features:

- favourite your regular trips
- see where your service is on the route
- get estimated pick-up and arrival times
- receive service updates
- find nearby stations, stops, wharves and routes
- check accessibility information.

Find the latest apps at transportsw.info/apps

Accessible services

All new buses are wheelchair-accessible with low-level floors and space for wheelchairs, prams or strollers. Look for the  symbol in this timetable. Some older buses may not have all the features you need. There will be more accessible services as older buses are replaced.

Who is providing my bus services?

The bus services shown in this timetable are run by U-GO Mobility.

Fares

In Sydney and surrounding regions, fares are based on:

- the distance you travel from tap on to tap off
- the mode of transport you choose
- whether you're eligible for a concession fare or free travel
- any Opal benefits such as discounts and capped fares that apply.

You can use an Opal card or a contactless payment to pay for your travel.

Special events

If you are travelling to or from an event, public transport may be included with your event ticket.

For more information, check your event ticket or see transportsw.info/events

Opal cards

An Opal card is a smartcard you keep and reuse. Add value before you travel, and tap on and tap off to pay your fares throughout Sydney, the Blue Mountains, the Central Coast, the Hunter and the Illawarra.

Some trackwork buses and special event buses may not have Opal card readers. Follow instructions from your driver.

Which Opal card is right for you?

Adult – Customers 16 years or older who are not entitled to any concessions and normally pay full fare.

Child/Youth – For customers aged 4-15 (inclusive), or customers 16 years or older who hold a NSW/ACT Senior Secondary Student Concession Card.

Gold Senior/Pensioner – For eligible NSW and interstate seniors, pensioners, war widows/ers and asylum seekers.

Concession – For eligible tertiary students, job seekers, apprentices and trainees.

How to get an Opal card

You can get an Adult or Child/Youth Opal card over the counter at Opal retailers that display the Opal sign . To find your nearest retailer, visit transportsw.info/opal

If you are eligible to travel with concession fares, you can apply for a Gold Senior/Pensioner or Concession Opal card online. Visit transportsw.info/opal for more information.

Contactless payments

If you have an American Express, Mastercard, Visa card or linked device, you can use it to pay for all public transport on the Opal network. Just make sure to tap on and tap off at Opal readers at the beginning and end of your trip.

Always separate your cards when you tap on and tap off so your preferred card is charged.

You will receive the same travel benefits of an Adult Opal card when you tap on and tap off consistently with the same credit card, debit card or linked device. This includes daily, weekly and weekend travel caps, and a \$2 transfer discount when you change between metro/train, ferry, bus and light rail services within 60 minutes. Adult Opal fare pricing applies.

Fares

In Sydney and surrounding regions, fares are based on:

- the distance you travel from tap on to tap off
- the mode of transport you choose
- whether you're eligible for a concession fare or free travel
- any Opal benefits such as discounts and capped fares that apply.

You can use an Opal card or a contactless payment to pay for your travel.

Opal cards

An Opal card is a smartcard you keep and reuse. Add value before you travel, and tap on and tap off to pay your fares throughout Sydney, the Blue Mountains, the Central Coast, the Hunter and the Illawarra.

Which Opal card is right for you?

Adult – Customers 16 years or older who are not entitled to any concessions and normally pay full fare.

Child/Youth – For customers aged 4-15 (inclusive), or customers 16 years or older who hold a NSW/ACT Senior Secondary Student Concession Card.

Gold Senior/Pensioner – For eligible NSW and interstate seniors, pensioners, war widows/ers and asylum seekers.

Concession – For eligible tertiary students, job seekers, apprentices and trainees.

How to get an Opal card

You can get an Adult or Child/Youth Opal card over the counter at Opal retailers that display the Opal sign . To find your nearest retailer visit transportnsw.info/opal.

If you are eligible to travel with concession fares, you can apply for a Gold Senior/Pensioner or Concession Opal card online. Visit transportnsw.info/opal for more information.

Contactless payments

If you have an American Express, Mastercard, Visa card or linked device, you can use it to pay for all public transport on the Opal network. Just make sure to tap on and tap off at Opal readers at the beginning and end of your trip.

Always separate your cards when you tap on and tap off so your preferred card is charged.

You will receive the same travel benefits of an Adult Opal card when you tap on and tap off consistently with the same credit card, debit card or linked device. This includes daily, weekly and weekend travel caps, and a \$2 transfer discount when you change between metro/train, ferry, bus and light rail services within 60 minutes. Adult Opal fare pricing applies.
