1.0 INTRODUCTION

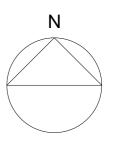

1.1 Background

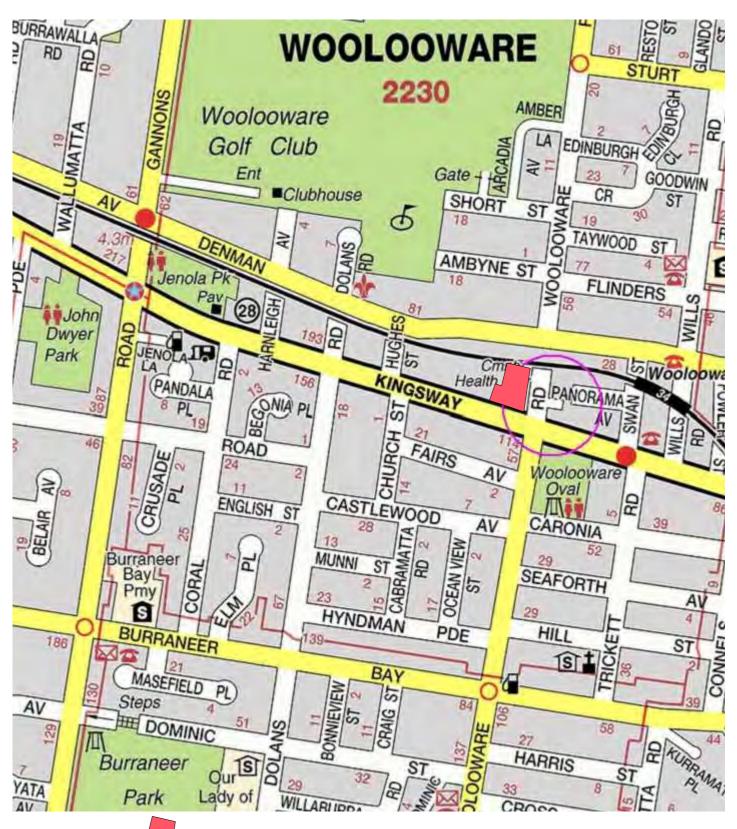

A traffic and parking assessment report is to be lodged with the Department of Planning, Hosuing and Industry (DPHI) by Pacific Planning on behalf of Pacific Community Housing for an application for site compatibility certificate for affordable housing at No 149-157 Kingsway and 51-55A Woolooware Road, Woolooware. The site is noted in **Figure 1 Locality Map** and the aerial photo **Figure 2** shows the extent of the site. The property is within Zone R2 Low Density Residential in Sutherland Shire LEP2015. The site is located approximately 190 metres to the Woolooware Railway Station entrance.

1.2 Scope of Report

This report has been prepared to assess the traffic and parking impacts for the site compatibility certificate. The tasks involved in preparation of this report were as follows: -

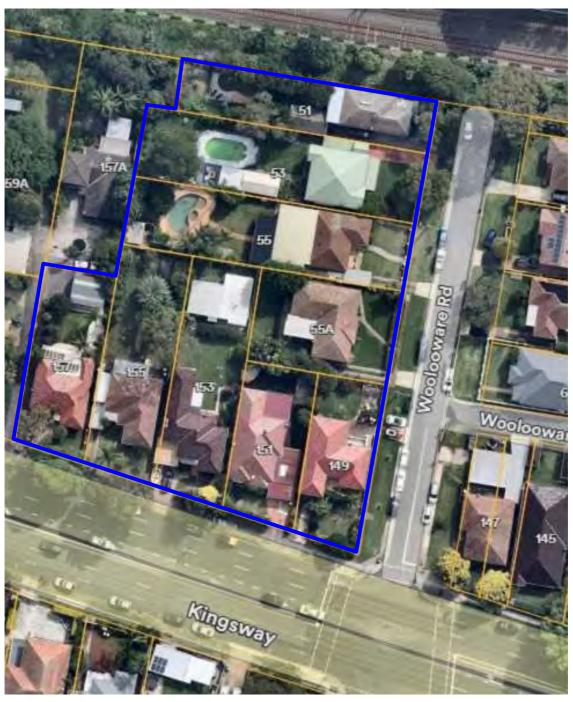

- 1. Review architects' plans, Council LEP 2015 and DCP 2015, SEPP Housing 2021.
- 2. A review of the site and environs using ARCGIS and Nearmap software. Review of surrounding public transport infrastructure.
- 3. Review of existing traffic count date from TfNSW. A sample classification count site No 7162 is located 10 metres east of Gannons Road about 200 metres west of the subject site.
- 4. Review the car parking requirement in accordance with SEPP Housing 2021
- 5. Review bicycle parking requirement for compliance with the *DCP2015*.
- 6. Prepare a Traffic and Parking Assessment Report.

SOURCE NEARMAP 2025

2.0 EXISTING SITE AND TRAFFIC CONDITIONS

2.1 Existing Site and Environs

The site is zoned R2 under *SLEP 2015* and consists of an amalgamation of No 51, 53, 55A Woolooware Road and 149, 154, 155 and 157 Kingsway Woolooware. The total site area is 6227m². The site has a frontage to Kingsway of 76.99 metres and a site frontage to Woolooware Road of 98.60 metres. The site is bounded to the north by the rail corridor.

The site is occupied by single storey residential houses and associated structures.

The site is located on the north western corner of Kingsway and Woolooware Road.

The site is well connected to nearby facilities, including 500 metres to Woolooware Public School, 800 metres to Burraneer Bay Public School, 200 metres to Woolooware Railway Station, and 1000 metres to Woolooware Bay Town Centre and Bay Central Shopping Centre. There is a playground located 270 metres to the subject site to the west (Jenola Park Playground). Woolooware Oval and Playground are located 100 metres to the eastern side of the Woolooware Road and Kingsway.

2.2 Road Inventory

The site is located adjacent to the intersection of Woolooware Road and Kingsway. TfNSW upgraded the signalised intersection at Kingsway and Woolooware Road to increase the right turn east bound turning lane to 60 metres in 2019.

Kingsway

This is a 6 lane divided carriageway in both directions. Traffic volumes exceed 20,000 upd. A station count No 7162 has recorded traffic volumes Westbound 10 metres east of Gannons Road. Volumes are listed below: -

	2023	2024	2025
Westbound cars	17284	17061	16585
Truck HRV %	7.88	8.08	8.15

The Kingsway connects to President Avenue to the west and Princes Highway to the northwest and connects to Eloura Road to the east.

(2.2 continued.)

Woolooware Road - North

Woolooware Road North is a cul-de-sac which terminates at the railway corridor to the north. The street has a pavement width of approximately 7 metres. Double barrier lines extend north of the intersection with Woolooware road for 30 metres. Volumes in Woolooware Road North are very low and service only 7 houses.

There is unrestricted parking in Woolooware Road North with 9 spaces on the western side and 7 spaces on the eastern side.

Woolooware Road - South

This road runs between Kingsway to the Woolooware peninsula and is a two way bidirectional traffic lane and kerbside parking lanes. At the intersection of Kingsway there is no parking restriction to the left turning lane for approximately 40 metres.

Woolooware Lane

Woolooware Lane is a low volume road that connects to the east of Woolooware Road (north)

2.3 Drop-Off and Pick-Up in Swan Street at Woolooware Station

Drop off and pick-ups occurred in Zone B. The busiest "drop off" occurred from 7:15am to 8:15am with 81 vehicles and 88 passengers. The busiest "pick-up" occurred from 5:15pm to 7:15pm with 40 vehicles and 44 passengers. A copy of survey results are located in **Appendix B** of this report.

2.4 Public Transport

Rail

Woolooware Station on the T4 Cronulla to Bondi Junction Railway System is located at the end of Swan Street and within easy walking distance to residents in Swan Street and Panorama Ave and Kingsway near Swan Street. Peak hour services are at 10-minute intervals. Monday to Friday these services start at 4:05am and end at 12:05am. Services run at half hourly intervals to 6:03am then at 15 minute intervals till 9:35pm. Services are available at half hourly intervals on weekends and public holidays commencing at 5:31am and ending at 22:36pm. The timetable and network map is contained in Appendix E. Woolooware station has bicycle racks and is a staffed station between the hours of 6am to 7pm on weekdays and 8am to 4pm on weekends and public holidays. The station has facilities such as an accessible toilet and a lift and related access ramp for persons with a disability.

(2.4 continued.)

Access to Woolooware Railway Station for pedestrians is available via a shortcut between the Kingsway and Panorma Street as shown in **Figure 3** below.

Bus Services

Bus stops are located on both sides of Kingsway near Swan Street. The Swan Street/ Kingsway intersection is controlled by Traffic Signals. The pedestrian crossing in Kingsway is signalised. The bus services operate 7 days a week and are frequent.

Bus services operate by U-Go mobility on routes 33T4 between Cronulla and Sutherland, on route 969 between Sutherland and Cronulla and on route N11 between Cronulla and Sydney Town Hall. The bus timetables and route maps are provided in **Appendix E**.

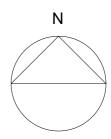

Bicycle and Pedestrian

The Active Transport Link Project has been completed for Stage 2 which is an active bicycle and pedestrian network link (Sutherland to Cronulla Transport Link – (SCATL) and Stage 3 which includes Woolooware to Cronulla is in development. The overview of the SCATL is shown in **Figure 4**. Further information on the SCATL is located in Appendix B of this report.

The active transport and pedestrian transport link will allow a mode shift from car to active travel by allowing connections to public transport infrastructure through providing the following: -

- A pedestrian prioritised east-west link between Woolooware Road and Kingsway.
- A walkable access link to Woolooware Railway Station to high frequency train service.
- A connection to local high frequency bus services within 150 metres of the site
- Access to Woolooware Bay shared path and Cronulla Beach via active travel.

The site provides bicycle parking to encourage and promote active travel as aa sustainable travel mode.

3.0 THE PROPOSED DEVELOPMENT

3.1 Proposed Development

The site compatibility certificate (SCC) application has been prepared by Pacific Planning on behalf of Pacific Community Housing (PCH) a registered Community Housing provider.

The proposal seeks to demolish the existing brick dwellings, concrete block garages and associated structures and build a 200 apartment (approximately) development including a mix of development types with 50% of apartments to be delivered as affordable housing. There is communal landscaped courtyard and bicycle parking for 25 bicycles which is provided in a specialised fire rated enclosure suitable for E bike charging.

A mix of studio, 1 bedroom, 1 bedroom – 2 storey and 3 bedroom crossover as illustrated in the architectural drawings located in **Appendix A**. A maximum of 105 dwellings will be managed as affordable housing. The unit schedule mix is summarised below in Table 3.1.

Level Type of Unit 1 bed 2 2 bed storeys 2 Bed crossover Studio 1 Bed 3 bedroom Community Level LG 3 5 Level 01(G) 1 13 9 Level 02 2 2 14 Level 03 2 6 15 9 Level 04 2 5 2 14 2 15 6 Level 05 9 Level 06 14 2 5 Level 07 9 3 Level 08 9 3 3 Communal Level 09 9 Facilities 1 Level 10 4 Totals 33 27 11 11 113 15 Note Note* Provision for livable and adaptable units

Table 3.1 Unit mix and Schedule

3.2 Parking Requirement and Provision

Under *Division 5 Residential Flat Buildings* in *SEPP (Housing) 2021, Clause 38(4)*, car parking is not required to be provided in relation to development to which this Division applies. Under the requirements of the BTR (Build to Rent) list in *Chapter 3 Part 4 (Clause 74)* of the *SEPP (Housing) 2021*, a maximum of 0.2 spaces per dwelling is required.

(3.2 continued.)

* Visitor parkin	g for High [Density is 1	space per 5 u	ınits for ca	tegory2areas.				

Note 1: 50% of units are affordable housing only.

Note 2: No parking rate for commercial facilities is provided in the SEPP (Housing) 2021 or GtTIA (Guide to Traffic Impact Assessment).

1 motorbike space per 20 units could be provided for motorbike parking.

Car parking is provided on the lower ground floor B1/UG for 70 car parking spaces. Car parking for 120 spaces is provided on level B2.

3.3 Bicycle Parking

Clause 5.2 of the Sutherland Shire Council DCP Chapter 35 has a requirement of 1 bicycle parking space per 10 car parking spaces for the first 200 car spaces. Provision for 21 bicycle parking spaces is to be accommodated on U/G and B1 level. The bicycle storage is located behind a security door, and within a specialised fire rated enclosure so that E-bike charging is provided with safety. The bicycle parking facilities are to comply with AS 2890.3-2015 Part 3 Bicycle Parking.

3.4 Delivery/ Service Vehicles

A loading space is provided on Level UG/B1 for HRV vehicles up to 12.5 metres long for waste vehicles. This space can be sued by delivery vehicles. Collection times could be between 6am and 7:30am on weekdays. This results in the bins being collected from a central area within the site and not on the street for kerb side collection. Separate waste rooms for commercial use and residential use are provided on the ground floor.

3.5 Accessible Parking Spaces

The requirements for the accessible car parking space is stated in *SDCP* under *Section 8.2 Controls for Adaptable Housing*. 20% of units are to be provided as adaptable dwellings.

Section 8.3 Livable housing requires 10% of units to be livable housing units. As 50% of all units will be affordable, a provision for 2 drop off bays for carers or facility support workers is provided.

Table 3.5 Accessible Parking

Total number of	Adaptable	Liveable	Accessible Spaces
units			
210	42	21	21

3.6 Drop Off Spaces

The provision of two drop off spaces to be provided on UG/B1 level. Spaces are to be provided in close proximity to the lifts and main building entry connection.

4.0 GREEN TRAVEL PLAN

A travel plan contains both physical and behavioural measures to increase travel choices and reduce reliance on single-occupancy car travel. It is intended that a travel plan will be implemented by the Community Housing Manager to encourage active transport usage, that is walking and cycling.

The coordination, implementation and funding for the Green Travel Plan will be the responsibility of the Strata Manager. Acknowledging the location and accessibility of the subject development, this Green Travel Plan seeks to minimize use of private vehicle transport through: -

- a) Providing convenient access to current and relevant public transport information.
- b) Improved road safety and personal security for pedestrians and cyclists; maximizing the efficient use of on-site bicycle parking.
- c) Providing a mechanism to review the efficiency of green travel initiatives and amend existing or implement new initiatives as warranted.

4.1 Action Plan

A draft action plan is provided in **Appendix D**. The plan is an outline of the actions and incentives that will be adopted to encourage the use of sustainable transport modes.

4.2 Green Travel Initiatives

Sustainable transport information could be placed in key building foyer locations where it will be clearly visible to the residents and visitors of the building. Detailed travel information will be available in the bicycle storage area.

4.3 Public Transport

To encourage public transport use, information sourced Transport for NSW Apps and Cyclepath Finder will be provided through posters and leaflets and through wayfinding signage. The information provided will detail the scheduling / frequency of local services, the location of train stations / bus stops and linkages to other networks.

4.4 Cycling

To promote and market the use of bicycles, a map of the extensive network of on and off-street bicycle paths in the vicinity of the site will be provided to employees and visitors in the form of building signage.

4.5 Walking

To highlight pedestrian accessibility in the vicinity of the site, an access plan will be prepared showing pedestrian linkages surrounding the site and close proximity walking distances to Woolooware station, shops and bus stops.

4.6 Car Share

One of the drop off spaces could be utilised for a community car share space. The space would be managed by the Community Housing provider and vehicle provided for tenants to use. A QR code could be provided with an app application for tenants wishing to book the use of the car share space.

As this would be an independent system, this would be available for tenants or commercial tenants to use. This is different to a "Go Get" system or Uber Car Share system as tenants who wish to use the car share space would have priority for the use of the car and this would improve the amenity of the development.

5.0 TRAFFIC IMPACTS OF PROPOSED DEVELOPMENT

5.1 Impacts on Frontage Road Traffic

The existing site generates the following traffic as shown in **Table 5.1A**.

Table 5.1A Existing Traffic Generation

	Generation Rate						
Use	No of	TfNSW	No of		IN	OUT	TOTAL
	spaces	Rate	trips				
				Allow 20% trips			
				IN for AM and			
9 dwellings		0.68	6.12	80% OUT in AM	4.9	1.2	6.12
				Allow 66% trips			
				IN and 33%			
9 dwellings		0.68	6.12	OUT in PM	4.08	2.04	6.12

As there is a Green Travel Plan provided and bicycle and motorbike parking a further 5% reduction to trip generation is assigned.

The traffic impacts to the street network is calculated as follows for the AM and PM peak hour.

	Proposed Traffic Generation	37.9
AM	Existing Traffic Generation	6.12
	Total Net Trips	31.78 (32)
	Proposed Traffic Generation	29.9
PM	Existing Traffic Generation	6.12
	Total Net Trips	28.78 (24)

Note a trip is defined as a two-way movement in and out.

The impact will be reasonably low, typically developments with less than 30 movements per peak hour are considered low volume traffic generators.

The proposed traffic generation is shown in **Tables 5.1B** and **5.1C**.

Table 5.1B Proposed Traffic Generation

	G	Generation Rate						5% REDUCTION		
Use	No of Units	TfNSW Rate	No of trips		IN	OUT	TOTAL	FOR GREEN TRAVEL	TOTAL	
Residential	210	0.19	39.90	Allow 20% trips IN for AM and 80% OUT in AM	8.0	31.9	39.9	2.0	37.9	АМ
		0.15	31.50	Allow 66% trips IN and 33% OUT in PM	21.0	10.5	31.5	1.6	29.9	РМ

(5.1 continued.)

Table 5.2C Traffic Generation based on number of car parking spaces

	Generation Rate						5% REDUCTION			
Use	No of spaces	TfNSW Rate	No of trips		IN	OUT	TOTAL	FOR GREEN TRAVEL	TOTAL	
Residential	190	0.19P + 1.79	37.89	Allow 20% trips IN for AM and 80% OUT in AM	7.6	30.3	37.9	1.9	36.0	АМ
		Rate not availa	ate not available for PM							PM

Notes:

0.19P + 1.79

P = Number of car parking spaces

The proposed traffic generation is shown in **Table 5.1B**. A comparison rate is shown in **Table 5.1C** for trips calculated based upon the number of car parking spaces provide.

The rates calculated do not provide any distinction between unit sizes. The total trip generation in the AM peak hour is 37.9 vehicles (38) per hour and in the PM is 29.9 (30) vehicles in the peak hour.

5.2 Pedestrian Safety

Removal of the existing driveway crossings would reduce any minor vehicle/pedestrian conflict. Woolooware Road has footpaths on the eastern and western sides and the proposed development has footpath access to Woolooware railway station entry.

5.3 Off Street Parking

There is no requirement for off street parking for affordable rental housing in *SEPP (Housing) 2021.* 190 car parking spaces have been provided.

6.0 SUMMARY AND CONCLUSIONS

- 1. A site compatibility certificate application is to be lodged with for 200 affordable housing units and a communal area of 112m² in a ten (10) level building at 149-157 Kingsway and 51-55A Woolooware Road Woolooware.
- 2. The applicant is applying for a Site Compatibility Certificate (SCC) under the provisions of Division 5 of the SEPP (Housing) 2021.
- 3. Off street car parking is not required under the SEPP (Housing) 2021.

Car parking has been provided for 190 spaces however the number of spaces calculated in accordance with the *GtTIA* (*Guide to Traffic Assessment*) is 198 spaces and includes 42 visitor spaces. The provision of 190 spaces provides adequate parking for a development in close proximity to good public transport networks.

There is no requirement to provide car parking for the residential component under under *Division 5 Residential Flat Buildings* in *SEPP (Housing) 2021, Clause 38(4)* As 50% of the apartments will be affordable housing under the requirements of the BTR (Build to Rent) listed in *Chapter 3 Part 4 (Clause 74)* of the *SEPP (Housing) 2021*, a maximum of 0.2 spaces per dwelling is required. This equates to 40 spaces.

- 4. Woolooware railway station has regular and frequent services on weekdays and is adjacent to the proposed development. Bus stops in Kingsway are within easy walking distance.
- 5. The development will provide 21 secure bicycle racks 21 motorbike and a Green Travel Plan to encourage public transport use, walking and cycling.
- 6. The development is supported on traffic and parking grounds.

APPENDIX B

Safety is everyone's responsibility

Please read and follow the tips below to ensure the Sutherland to Cronulla Active Transport Link is a safe, fun and convenient space for the whole community.

Tips for drivers

Follow the rules: Obey traffic rules and use common sense. Always obey the speed limit, follow traffic signs and signals, signal your intentions, maintain safe distances, and pass with care and only where allowed.

Slow down: Vehicles travelling slowly significantly reduce the likelihood of an incident.

Take care on driveways: Please take extra care when crossing the new path to enter or exit a driveway. Path users have priority. This is a new path and it will take time for people to get used to the shared spaces.

Give way: You must give way to pedestrians and riders crossing the road into which you are turning, whether there is a dedicated crossing

Be extra vigilant at night: Pedestrians and bike riders are more difficult to see than cars or trucks, especially at night.

Respect is paramount: The new link means pedestrians and riders have their own space. But at intersections and on nearby roads, drivers should respect that riders are entitled to use the road just as any other vehicle. Respect each other's space to ensure everyone stays safe.

Tips for path users

Helmets are a must: If you're riding, you must wear a helmet and have a working bell fitted to

Follow the rules: Obey traffic rules and use common sense. Follow traffic signs and signals, signal your intentions and maintain safe

Be seen: Wear bright colours to help others see vou. At night wear clothes with reflective strips to make yourself more visible, and when riding ensure you have a working front and rear light.

Slow down: It's not a race! When riding on the path always maintain control and ensure safe distances are kept between others riders. pedestrians and vehicles.

Take care on driveways: Slow down and take extra care crossing driveways. This is a new path and it will take time for people to get used to the shared spaces.

Keep left: Pedestrians and slower riders should keep to the left of the path. Let people know if you are about to pass, by ringing your bell or calling out. Ring your bell: When approaching other people on the path warn them you are approaching by ringing your bell.

Sharing the path with kids: Be aware of schools and childcare centres along the route. Use caution during busy times. The path is there for everyone to enjoy.

Transport for NSW

Sutherland to Cronulla **Active Transport Link**

Stage 2 East is open!

April 2024

The Sutherland to Cronulla Active Transport Link (SCATL) is a pedestrian and bicycle path between Sutherland and Cronulla to help make walking and bike riding a convenient, safe and enjoyable travel option for the community.

Thank You!

The project team would like to thank the community for their patience during construction and encourage everyone to give the new path a try. By encouraging more people to choose walking or bike riding for everyday journeys, we will improve neighbourhoods and the environment, reduce car use and traffic congestion, support busy local economies, and improve the general health of our communities.

Visit the project web page for further project information, including a video with tips on using the paths at www.transport.nsw.gov.au/SCATL

Transport for NSW acknowledges the Dharawal people as the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

Look out! Bikes and pedestrians about!

Now that the path is complete, riders and pedestrians are using the new path more and more. The new path is available for pedestrians and cyclists of all ages and capabilities. Be aware of other users and your surroundings to ensure the path is safe, fun and convenient for all to enjoy.

Other stages

Other SCATL stages, Stage 2 West and Stage 3 of the SCATL project are still under investigation. We look forward to providing you with updates later this year.

Denman Avenue, Caringbah

Denman Avenue, Caringbah

Frequently asked questions

Is the SCATL 2 East path open?

Yes, the 3 kilometre SCATL 2 East path between Miranda shopping centre and Gannons Road, Caringbah is open.

What amenities are on the SCATL path?

Accessibility ramps and seating are located on the shared path.

What rules should I observe on the path?

Please be mindful of your surroundings, take care around others, and observe the signs along the path. Bike riding laws apply in NSW.

Please visit Transport for NSW's Centre for Road Safety for more information.

Can I race on the path?

No. Racing is not permitted. Always be mindful for bicycle riders and of the safety of others.

Can I walk my dog?

Yes, you can walk your dog on the shared sections of the path provided it is on a leash. Please observe the signs.

Is the path safe to use at night?

Yes. We encourage you to wear light-coloured and/or reflective clothing and have working lights on your bike, if riding at night.

Why was the right hand turn at Banksia Road removed?

The closure of the right turn into Banksia and the signalisation of the intersection of Willarong and

Kingsway responds to existing safety concerns including a fatality at the intersection and Council's future planning provisions. We will continue to monitor safety and traffic performance after the completion of works and liaise with Council and the community.

Will Transport be replacing all trees removed as part of this project?

We are replacing all trees removed during the work. We are committed to replacing four trees for every one that has been removed during construction of the project. Replanting has already been carried out on Denman Avenue, Caringbah with additional replanting locations to be determined by Sutherland Shire Council.

Can I ride my e-scooter?

E-scooters are only permitted in approved E-scooter trial areas, with nearby trials operating in Kogarah and Wollongong.

For more info visit https://www.transport.nsw.gov. au/projects/current-projects/nsw-e-scooter-shared-

Do I need to wear a helmet when riding?

Yes. Helmets are compulsory in New South Wales, and all bike riders must wear an approved helmet while in motion (unless exempt).

Know the signs

Make sure you observe these signs when using the shared path.

Shared path - Give way to pedestrians and bike riders

Bicycle and pedestrian warning sign for motorists. generally installed when approaching a crossing point.

Shared path ends

 The shared path ends here

Bicycle only

· Bicycle path only.

Pedestrian crossing

· Pedestrian activity in the area

· Always look both ways before crossing and stay alert to your surroundings.

Shared path split

· Informs you which side of the shared path to ride or walk on.

Did you know?

More than 1.5 billion walking and bike riding trips are taken each year across NSW.

APPENDIX C

DRAFT ACTION PLAN

GENERAL ACTIONS

Action	Timeline	By whom
Promotion including: Display boards in prominent locations to show public transport maps and timetables.	On Occupation	Community Housing Manager

WALKING

Action	Timeline	By whom
Produce a map showing safe walking routes to and from the site with times, distances to local facilities, such as shops and bus stops	On Occupation	Community Housing Manager

CYCLING

Action	Timeline	By whom
Provide sufficient cycle parking to meet peak needs, which is easily accessible and secure	On Occupation	Developer
Provide cycle parking for visitors	On Occupation	Developer
Ensure cycle parking is clearly visible or provide signage to direct people to cycle bays	On Occupation	Developer
Produce a map showing cycle routes in the area.	On Occupation	Developer

PUBLIC TRANSPORT

Action	Timeline	By whom
Develop a map showing public transport routes in the area	On Occupation	Community Housing Manager
Put up a noticeboard with leaflets and maps showing the main public transport routes to and from the site.	On Occupation	Community Housing Manager

CAR SHARE

Action	Timeline	By whom
Show all available car share locations on the travel guide for patrons	On Occupation	Community Housing Manager

APPENDIX D

Eastern Suburbs & Illawarra Line

How to use this timetable

This timetable provides a snapshot of service information in 24-hour time (e.g. 5am = 05:00, 5pm = 17:00). Information contained in this timetable is subject to change without notice. Please note that timetables do not include additional trips for special events, short term changes, holiday timetable changes, real-time information, trackwork or any disruption alerts.

For the most up-to-date times, use the Trip Planner or Departures at transportnsw.info

Real-time planning

You can plan your trip with real-time information using the Trip Planner or Departures at **transportnsw.info** or by downloading travel apps on your smartphone or tablet.

The Trip Planner, Departures and travel apps offer various features:

- favourite your regular trips
- see where your service is on the route
- · get estimated pick-up and arrival times
- receive service updates
- find nearby stations, stops, wharves and routes
- check accessibility information.

Find the latest apps at transportnsw.info/apps

Accessible services

Wheelchair accessible stations are indicated with a scion on the map at the back of this timetable. However, some older stations may not have all the facilities you need. Visit **transportnsw.info** to find the stations with the facilities you need to get around.

Fares

In Sydney and surrounding regions, fares are based on:

- the distance you travel from tap on to tap off
- the mode of transport you choose
- whether you're eligible for a concession fare or free travel
- any Opal benefits such as discounts and capped fares that apply.

You can use an Opal card or a contactless payment to pay for your travel.

Opal cards

An Opal card is a smartcard you keep and reuse. Add value before you travel, and tap on and tap off to pay your fares throughout Sydney, the Blue Mountains, the Central Coast, the Hunter and the Illawarra.

Which Opal card is right for you?

Adult - Customers 16 years or older who are not entitled to any concessions and normally pay full fare.

Child/Youth – For customers aged 4-15 (inclusive), or customers 16 years or older who hold a NSW/ACT Senior Secondary Student Concession Card.

Gold Senior/Pensioner – For eligible NSW and interstate seniors, pensioners, war widows/ers and asylum seekers.

Concession - For eligible tertiary students, job seekers, apprentices and trainees.

How to get an Opal card

You can get an Adult or Child/Youth Opal card over the counter at Opal retailers that display the Opal sign ②. To find your nearest retailer visit **transportnsw.info/opal**

If you are eligible to travel with concession fares, you can apply for a Gold Senior/Pensioner or Concession Opal card online. Visit **transportnsw.info/opal** for more information.

Contactless payments

If you have an American Express, Mastercard, Visa card or linked device, you can use it to pay for all public transport on the Opal network. Just make sure to tap on and tap off at Opal readers at the beginning and end of your trip.

Always separate your cards when you tap on and tap off so your preferred card is charged.

You will receive the same travel benefits of an Adult Opal card when you tap on and tap off consistently with the same credit card, debit card or linked device. This includes daily, weekly and weekend travel caps, and a \$2 transfer discount when you change between metro/train, ferry, bus and light rail services within 60 minutes. Adult Opal fare pricing applies.

Find out more at transportnsw.info/contactless

Explanation of definitions and symbols

6.	Wheelchair Accessible
е	Service may depart earlier than the time shown
i	Service arrives or departs from Central Station platforms 1 to 15
F	Friday only

T4 line services stopping at Woolooware Station, based on typical weekday and weekend patterns:

Dav	First Train (approx.)	Frequency	Last Train (approx.)
Weekdays	12.3(1 AIVI	Every 10–15 min (peak), 20–30 min (off-peak)	12:00 AM
Weekends	5:30 AM	Every 20–30 minutes	12:00 AM

Woolooware is the second-last stop before Cronulla on the T4 line. Trains from Bondi Junction to Cronulla stop at Woolooware throughout the day.

Sydney rail network

Cronulla to Sutherland

How to use this timetable

This timetable provides a snapshot of service information in 24-hour time (e.g. 5am = 05:00, 5pm = 17:00). Information contained in this timetable is subject to change without notice. Please note that timetables do not include minor stops, additional trips for special events, short term changes, holiday timetable changes, real-time information or any disruption alerts.

For the most up-to-date times, use the Trip Planner or Departures at **transportnsw.info**

Real-time planning

You can plan your trip with real-time information using the Trip Planner or Departures at **transportnsw.info** or by downloading travel apps on your smartphone or tablet.

The Trip Planner, Departures and travel apps offer various features:

- favourite your regular trips
- see where your service is on the route
- get estimated pick-up and arrival times
- · receive service updates
- find nearby stations, stops, wharves and routes
- check accessibility information.

Find the latest apps at transportnsw.info/apps

Accessible services

All new buses are wheelchair-accessible with low-level floors and space for wheelchairs, prams or strollers. Look for the symbol in this timetable. Some older buses may not have all the features you need. There will be more accessible services as older buses are replaced.

Who is providing my bus services?

The bus services shown in this timetable are run by U-Go Mobility.

Fares

In Sydney and surrounding regions, fares are based on:

Bus route 969 Bus route number

-- Train line/station

Cronulla, then all stations to **Sutherland** and return

Temporary buses run during major events or if trackwork affects your train service.

How to use this timetable

This timetable provides a snapshot of service information in 24-hour time (e.g. 5am = 05:00, 5pm = 17:00). Information contained in this timetable is subject to change without notice. Please note that timetables do not include minor stops, additional trips for special events, short term changes, holiday timetable changes, real-time information or any disruption alerts.

For the most up-to-date times, use the Trip Planner or Departures at **transportnsw.info**

Real-time planning

You can plan your trip with real-time information using the Trip Planner or Departures at **transportnsw.info** or by downloading travel apps on your smartphone or tablet.

The Trip Planner, Departures and travel apps offer various features:

- favourite your regular trips
- see where your service is on the route
- get estimated pick-up and arrival times
- receive service updates
- find nearby stations, stops, wharves and routes
- · check accessibility information.

Find the latest apps at transportnsw.info/apps

Accessible services

All new buses are wheelchair-accessible with low-level floors and space for wheelchairs, prams or strollers. Look for the symbol in this timetable. Some older buses may not have all the features you need. There will be more accessible services as older buses are replaced.

Who is providing my bus services?

The bus services shown in this timetable are run by U-Go Mobility.

Fares

In Sydney and surrounding regions, fares are based on:

- the distance you travel from tap on to tap off
- the mode of transport you choose
- whether you're eligible for a concession fare or free travel
- any Opal benefits such as discounts and capped fares that apply.

You can use an Opal card or a contactless payment to pay for your travel.

Special events

If you are travelling to or from an event, public transport may be included with your event ticket.

For more information, check your event ticket or see **transportnsw.info/events**

Opal cards

An Opal card is a smartcard you keep and reuse. Add value before you travel, and tap on and tap off to pay your fares throughout Sydney, the Blue Mountains, the Central Coast, the Hunter and the Illawarra.

Some trackwork buses and special event buses may not have Opal card readers. Follow instructions from your driver.

Which Opal card is right for you?

Adult – Customers 16 years or older who are not entitled to any concessions and normally pay full fare.

Child/Youth – For customers aged 4-15 (inclusive), or customers 16 years or older who hold a NSW/ACT Senior Secondary Student Concession Card.

Gold Senior/Pensioner – For eligible NSW and interstate seniors, pensioners, war widows/ers and asylum seekers.

Concession – For eligible tertiary students, job seekers, apprentices and trainees.

How to get an Opal card

You can get an Adult or Child/Youth Opal card over the counter at Opal retailers that display the Opal sign . To find your nearest retailer, visit **transportnsw.info/opal**

If you are eligible to travel with concession fares, you can apply for a Gold Senior/Pensioner or Concession Opal card online. Visit **transportnsw.info/opal** for more information.

Contactless payments

If you have an American Express, Mastercard, Visa card or linked device, you can use it to pay for all public transport on the Opal network. Just make sure to tap on and tap off at Opal readers at the beginning and end of your trip.

Always separate your cards when you tap on and tap off so your preferred card is charged.

You will receive the same travel benefits of an Adult Opal card when you tap on and tap off consistently with the same credit card, debit card or linked device. This includes daily, weekly and weekend travel caps, and a \$2 transfer discount when you change between metro/train, ferry, bus and light rail services within 60 minutes. Adult Opal fare pricing applies.

Cronulla to City Town Hall (Night Service)

How to use this timetable

This timetable provides a snapshot of service information in 24-hour time (e.g. 5am = 05:00, 5pm = 17:00). Information contained in this timetable is subject to change without notice. Please note that timetables do not include minor stops, additional trips for special events, short term changes, holiday timetable changes, real-time information or any disruption alerts.

For the most up-to-date times, use the Trip Planner or Departures at **transportnsw.info**

Real-time planning

You can plan your trip with real-time information using the Trip Planner or Departures at **transportnsw.info** or by downloading travel apps on your smartphone or tablet.

The Trip Planner, Departures and travel apps offer various features:

- favourite your regular trips
- see where your service is on the route
- get estimated pick-up and arrival times
- · receive service updates
- find nearby stations, stops, wharves and routes
- check accessibility information.

Find the latest apps at transportnsw.info/apps

Accessible services

All new buses are wheelchair-accessible with low-level floors and space for wheelchairs, prams or strollers. Look for the symbol in this timetable. Some older buses may not have all the features you need. There will be more accessible services as older buses are replaced.

Who is providing my bus services?

The bus services shown in this timetable are run by U-Go Mobility.

Fares

In Sydney and surrounding regions, fares are based on:

- the distance you travel from tap on to tap off
- the mode of transport you choose
- whether you're eligible for a concession fare or free travel
- any Opal benefits such as discounts and capped fares that apply.

You can use an Opal card or a contactless payment to pay for your travel.

Opal cards

An Opal card is a smartcard you keep and reuse. Add value before you travel, and tap on and tap off to pay your fares throughout Sydney, the Blue Mountains, the Central Coast, the Hunter and the Illawarra.

Which Opal card is right for you?

Adult – Customers 16 years or older who are not entitled to any concessions and normally pay full fare.

Child/Youth – For customers aged 4-15 (inclusive), or customers 16 years or older who hold a NSW/ACT Senior Secondary Student Concession Card.

Gold Senior/Pensioner – For eligible NSW and interstate seniors, pensioners, war widows/ers and asylum seekers.

Concession – For eligible tertiary students, job seekers, apprentices and trainees.

How to get an Opal card

You can get an Adult or Child/Youth Opal card over the counter at Opal retailers that display the Opal sign . To find your nearest retailer visit **transportnsw.info/opal**.

If you are eligible to travel with concession fares, you can apply for a Gold Senior/Pensioner or Concession Opal card online. Visit **transportnsw.info/opal** for more information.

Contactless payments

If you have an American Express, Mastercard, Visa card or linked device, you can use it to pay for all public transport on the Opal network. Just make sure to tap on and tap off at Opal readers at the beginning and end of your trip.

Always separate your cards when you tap on and tap off so your preferred card is charged.

You will receive the same travel benefits of an Adult Opal card when you tap on and tap off consistently with the same credit card, debit card or linked device. This includes daily, weekly and weekend travel caps, and a \$2 transfer discount when you change between metro/train, ferry, bus and light rail services within 60 minutes. Adult Opal fare pricing applies.
