Dear Sir / Madam,

**PROPOSED SENIORS LIVING PROJECT AT GALSTON NSW – EXTENSION IN VALIDITY PERIOD OF SITE
COMPATIBILITY CERTIFICATE - YOUR REFERENCE S08/00529.**

We act for our client Treysten Pty Ltd as their Project Manager in the preparation of the Development Application for the 5 Mid Dural Road and 392 Galston Road proposed Seniors Living Development.

The original application for the Site Compatibility Certificate was made through Mr David Furlong on behalf of our client.

Further to our conversation today in respect to the above, and attached, Site Compatibility Certificate, we confirm our request for an extension to the validity period of the certificate given your advice that the Certificate must be current for the duration of the DA assessment period and any potential Appeal through the Land and Environment Court.

We DO NOT seek to amend any other aspect of the certificate. The DA submission will be made on or around 9 July 2010.

Please contact me in the event that you require any further information in regards to this request.

Yours Sincerely,

A handwritten signature in black ink, appearing to be 'Csaba Kaposi'.

Csaba Kaposi
Director
For and on behalf of Treysten Pty Ltd.
