#### Instructions to users

This application form is to be completed by a public authority or other applicant who wishes to apply to the Director-General of the Department of Planning for a site compatibility certificate under Division 3, Part 2 of State Environmental Planning Policy (Infrastructure) 2007 (the SEPP).

A site compatibility certificate is required under clause 50(2A) of the Environmental Planning and Assessment Regulation 2000 to accompany development applications for certain classes of development identified in the SEPP. In particular, consent for development under clauses 18 and 57(2) of the SEPP may be granted only if the development is the subject of a certificate from the Director-General certifying that the development is compatible with surrounding land uses.

Before lodging this application, it is recommended that you consult with the Department of Planning concerning your development proposal, including whether a site compatibility certificate is required and what application fee will apply. The application fee must be provided at the time you lodge this application form.

To ensure that your application is accepted, you must:

- complete all relevant parts of this form, and
- submit all relevant information required by this form, and
- provide 3 copies of this form and attached documentation, and
- provide form and documentation in electronic format (e.g. CD-ROM).

NB: The Department of Planning may request further information if your application is incomplete or inadequate.

Applications must be lodged with the Director-General by mail or courier.

NSW Department of Planning Ground floor, 23-33 Bridge Street, Sydney NSW 2000 GPO Box 39 Sydney NSW 2001 t: 02 9228 6111 f: 02 9228 6555
